74. Proud Mary

Tina Turner

You know, every now and then
I think you might like to hear something from us
Nice and easy but there's just one thing
You see, we never ever do nothing nice and easy
We always do it nice and rough

So we're gonna take the beginning of this song and do it easy
Then we're gonna do the finish rough
This is the way we do 'Proud Mary'
And we're rolling, rolling, rolling on the river
Listen to the story

Left a good job in the city
Working for the man every night and day
And I never lost one minute of sleeping
Worrying 'bout the way that things might have been

Big wheel keep on turning
Proud Mary keep on burning
And we're rolling, rolling
Rolling on the river

Cleaned a lot of plates in Memphis
I pumped a lot of tane down in New Orleans
But I never saw the good side of the city
Until I hitched a ride on the riverboat queen

Big wheel keep on turning
Proud Mary keep on burning
And we're rolling, rolling
Rolling on the river
Say, we're rolling, rolling
Rolling on the river

I left a good job in the city
Working for the man every night and day
And I never lost one minute of sleeping
Worrying 'bout the way things might have been

Big wheel keep on turning
Proud Mary keep on burning
Rolling, rolling
Rolling on the river
Say, we're rolling, rolling
Rolling on the river, the river

I cleaned a lot of plates in Memphis
And I pumped a lot of tane down in New Orleans
But I never saw the good side of the city
'Til I hitched a ride on the riverboat queen

Big wheel keep on turning
Proud Mary keep on burning
And we're rolling, so we're rolling
And we're rolling on the river
I tell you, we're rolling, rolling
We're rolling on the river

If you come down to the river
I bet you gonna find some people who live
And you don't have to worry if you got no money
People on the river are happy to give

Big wheel keep on turning
Proud Mary keep on burning
And we're rolling and we're rolling
And we're rolling on the river
Tell me one more time
(Rolling, rolling, rolling on the river)

75. Don't Stop Believin'

Journey

Just a small-town girl
Livin' in a lonely world
She took the midnight train goin' anywhere
Just a city boy
Born and raised in South Detroit
He took the midnight train goin' anywhere
A singer in a smoky room
The smell of wine and cheap perfume
For a smile they can share the night
It goes on and on, and on, and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night
Streetlights people
Livin' just to find emotion
Hidin' somewhere in the night

Workin' hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice just one more time
Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on, and on, and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night
Streetlights people

Hidin' somewhere in the night
Don't stop believin'
Hold on to that feelin'
Streetlight people

Don't stop believin'
Hold on
Streetlight people

Don't stop believin'
Hold on to that feelin'
Streetlight people

76. I Will Survive

Gloria Gaynor

First, I was afraid, I was petrified
Kept thinking, I could never live, without you by my side
But then I spent so many nights thinking, how you did me wrong
And I grew strong and I learned how to get along

And so you're back, from outer space
I just walked in to find you here
With that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I'd a known for just one second
You'd be back to bother me

Woah now go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did you think I'd crumble? Did you think I'd lay down and die?

No, not I, I will survive
Oh as long as I know how to love, I know I'll stay alive
I've got all my life to live and I've got all my love to give
And I'll survive, I will survive (hey, hey)

It took all the strength I had not to fall apart
Just trying hard to mend the pieces of my broken heart
And I spent oh so many nights just feeling sorry for myself
I used to cry, but now I hold my head up high

And you see me, somebody new
I'm not that chained up little person still in love with you
And so you felt like dropping in, and just expect me to be free
But now I'm saving all my loving for someone who's loving me

Go on now go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Did you think I'd crumble, did you think I'd lay down and die?

Oh no, not I, I will survive
Oh as long as I know how to love, I know I'll stay alive
I've got all my life to live and I've got all my love to give
And I'll survive, I will survive (oh)

Go on now go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Did you think I'd crumble? Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh as long as I know how to love, I know I'll stay alive
I've got my life to live and I've got all my love to give
And I'll survive, I will survive
I will survive

77. Het Is Een Nacht

Guus Meeuwis

Je vraagt of ik zin heb in een sigaret
Het is twee uur 's nachts
We liggen op bed
In een hotel in een stad
Waar niemand ons hoort
Waar niemand ons kent
En niemand ons stoort
Op de vloer ligt een lege fles wijn
En kledingstukken die van jou of mij kunnen zijn
Een schemering de radio zacht
En deze nacht heeft alles
Wat ik van een nacht verwacht

Het is een nacht
Die je normaal alleen in films ziet
Het is een nacht
Die wordt bezongen in het mooiste lied
Het is een nacht
Waarvan ik dacht dat ik hem nooit beleven zou
Maar vannacht beleef ik hem met jou, ohoh

Ik ben nog wakker en ik staar naar het plafond
En ik denk aan hoe de dag lang geleden begon
Het zomaar er vandoor gaan met jou
Niet wetend waar de reis eindigen zou
Nu lig ik hier in een wildvreemde stad
En heb net de nacht van m'n leven gehad
Maar helaas er komt weer licht door de ramen
Hoewel voor ons de wereld
Vannacht heeft stil gestaan

Het is een nacht
Die je normaal alleen in films ziet
Het is een nacht
Die wordt bezongen in het mooiste lied
Het is een nacht
Waarvan ik dacht dat ik hem nooit beleven zou
Maar vannacht beleef ik hem met jou, ohoh

Maar een lied blijft slechts bij woorden,
Een film is in scène gezet
Maar deze nacht met jou
Is levensecht

Het is een nacht
Die je normaal alleen in films ziet
Het is een nacht
Die wordt bezongen in het mooiste lied
Het is een nacht
Waarvan ik dacht dat ik hem nooit beleven zou
Maar vannacht beleef ik hem met jou, ohoh

Ja vannacht beleef ook 'm met jou, oho
En ik hou alleen nog maar van jou, ohoh
En ik hou alleen nog maar van jou

78. Eternal Flame

The Bangles

Close your eyes, give me your hand, darling
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?
Is this burning an eternal flame?

I believe it's meant to be, darling
I watch you when you are sleeping
You belong with me
Do you feel the same? Am I only dreaming?
Or is this burning (burning) an eternal flame?

Say my name
Sun shines through the rain
A whole life so lonely
And then come and ease the pain
I don't want to lose this feeling, oh

Say my name
Sun shines through the rain
A whole life so lonely
And then come and ease the pain
I don't want to lose this feeling, oh

Close your eyes, give me your hand
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?
Or is this burning an eternal flame?

Close your eyes, give me your hand, darling
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?
Is this burning an eternal flame?

Close your eyes, give me your hand, darling
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?
Oh (an eternal flame)

Close your eyes, give me your hand, darling
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?
Is this burning an eternal flame?

Close your eyes, give me your hand...

79. Hey Jude

The Beatles

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And any time you feel the pain
Hey Jude, refrain
Don't carry the world upon your shoulder
For, well, you know that it's a fool
Who plays it cool
By making his world a little colder

Na, na, na, na-na, na, na, na-na

Hey Jude, don't let me down
You have found her, now go and get her (let it out and let it in)
Remember (hey Jude) to let her into your heart
Then you can start to make it better

So let it out and let it in, hey Jude, begin,
You're waiting for someone to perform with
And don't you know that it's just you, hey Jude, you'll do,
The movement you need is on your shoulder

Na, na, na, na-na-na-na

Hey Jude, don't make it bad.
Take a sad song and make it better.

Remember to let her under your skin,
Then you'll begin to make it
Better better better better better better, oh.

Na, na, na, na-na-na-na
Na-na-na-na, hey Jude
Na, na, na, na-na-na-na
Na-na-na-na, hey Jude

Na, na, na, na-na-na-na
Na-na-na-na, hey Jude (Jude)
Na, na, na, na-na-na-na
Na-na-na-na, hey Jude
(Yeah, you know you can make)
(Jude, Jude, you're not gonna break it)

Na, na, na, na-na-na-na (don't make it bad, Jude)
(Take a sad song and make it better) na-na-na-na, hey Jude
(Hey Jude, Jude, hey Jude, wow!)

Na, na, na, na-na-na-na (ooh, Jude)

Na-na-na-na, hey Jude (hey Jude)
Na, na, na, na-na-na-na

Na-na-na-na, hey Jude
Na, na, na, na-na-na-na
Na-na-na-na, hey Jude
Na, na, na, na-na-na-na
Na-na-na-na.....

(Heel lang herhalen... Met een beetje geluk zorgt de dirigent voor een *fade-out*, anders zitten jullie hier morgen nog.)

80. 9 to 5

Dolly Parton

Tumble out of bed
And stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to life

Jump in the shower
And the blood starts pumpin'
Out on the streets, the traffic starts jumpin'
For folks like me on the job from 9 to 5

Workin' 9 to 5
What a way to make a livin'
Barely gettin' by
It's all takin' and no givin'

They just use your mind
And they never give you credit
It's enough to drive you
Crazy if you let it

9 to 5
For service and devotion
You would think that I
Would deserve a fat promotion

Want to move ahead
But the boss won't seem to let me
I swear sometimes that man is
Out to get me, hmmm

They let you dream
Just a watch 'em shatter
You're just a step on the boss man's ladder
But you got dreams he'll never take away

In the same boat with a lot of your friends
Waitin' for the day your ship'll come in
And the tide's gonna turn
And it's all gonna roll you away

[[Workin' 9 to 5
What a way to make livin'
Barely gettin' by
It's all takin' and no givin'

They just use your mind
And you never get the credit
It's enough to drive you
Crazy if you let it

9 to 5
Yeah, they got you were they want you
There's a better life
And you think about it, don't you?

It's a rich man's game
No matter what they call it
And you spend your life
Putting money in his wallet]] **2x**

81. It's Raining Men

The Weather Girls

Hi, hi we're your weather girls
Ah-huh
And have we got news for you
You better listen
Get ready, all you lonely girls
And leave those umbrellas at home
Alright

Humidity is rising (uh rising), barometer's getting low (oh low, girl)
According to all sources (what sources now)
The street's the place to go (we better hurry up)
'Cause tonight for the first time (first time)
Just about half-past ten (half past ten)
For the first time in history
It's gonna start raining men (start raining men)

It's raining men, hallelujah, it's raining men, amen
I'm gonna go out to run and let myself get
Absolutely soaking wet
It's raining men, hallelujah
It's raining men, every specimen
Tall, blonde, dark and lean
Rough and tough and strong and mean

God bless mother nature, she's a single woman too
She took off to heaven and she did what she had to do
She taught every angel she rearranged the sky
So that each and every woman could find her perfect guy
Oh, it's raining men, yeah
Humanity's rising (humanity's rising)
Barometer's getting low (it's getting low, low, low, low)
According to all sources (according to all sources)
The street's the place to go

'Cause tonight for the first time
Just about half past ten
For the first time in history
It's gonna start raining man (start raining men)

It's raining men, hallelujah

It's raining men, amen

It's raining men, hallelujah

It's raining men, amen

It's raining men, hallelujah

It's raining men, amen

It's raining men, hallelujah

Oh oh oh oh

It's raining men

Tall, blonde, dark and lean

Rough and tough and strong and mean

Hallelujah it's raining men

82. Waterloo

ABBA

My, my
At Waterloo, Napoleon did surrender
Oh, yeah
And I have met my destiny in quite a similar way

The history book on the shelf
Is always repeating itself

Waterloo
I was defeated, you won the war
Waterloo
Promise to love you forevermore

Waterloo
Couldn't escape if I wanted to
Waterloo
Knowing my fate is to be with you
Wa-Wa-Wa-Wa-Waterloo
Finally facing my Waterloo

My, my
I tried to hold you back, but you were stronger
Oh, yeah
And now it seems my only chance is giving up the fight

And how could I ever refuse
I feel like I win when I lose

Waterloo
I was defeated, you won the war
Waterloo
Promise to love you for ever more

Waterloo
Couldn't escape if I wanted to
Waterloo

Knowing my fate is to be with you
Wa-Wa-Wa-Wa-Waterloo
Finally facing my Waterloo

So how could I ever refuse
I feel like I win when I lose

Waterloo
Couldn't escape if I wanted to
Waterloo
Knowing my fate is to be with you

Wa-Wa-Wa-Wa-Waterloo
Finally facing my Waterloo
Ooh-ooh, Waterloo
Knowing my fate is to be with you

Wa-Wa-Wa-Wa-Waterloo
Finally facing my Waterloo
Ooh-ooh, Waterloo...

83. Leef

Dre Hazes

Op een vrijdag in de kroeg
Ergens in Amsterdam
Zat aan de bar met een glas een oude wijze man

Hij zei dat die nog maar een paar dagen had
Dus pak het leven, pak alles en ga er mee op pad

En hij zei
"Leef, alsof het je laatste dag is"
"Leef, alsof de morgen niet bestaat"
"Leef, alsof het nooit echt af is"
En "leef, pak alles wat je kan"

En ga, a, a, a
A, a, a, a
A, a, a, a
Pak alles wat je kan
En ga, a, a, a
A, a, a, a
Ga
Pak alles wat je kan

Hij vertelde dat ie zich had gewerkt in het zweet
Geld verdiend als water
Maar nooit echt had geleefd
Z'n vrouw was bij hem weg
Voor een ander ingeruild
Af en toe gelachen
Maar veel te veel gehuild

En hij zei
"Leef, alsof het je laatste dag is"
"Leef, alsof de morgen niet bestaat"
"Leef, alsof het nooit echt af is"
En "leef, pak alles wat je kan"

En ga, a, a, a
A, a, a, a
A, a, a, a
Pak alles wat je kan
En ga, a, a, a
A, a, a, a
Ga
Pak alles wat je kan

"Leef, alsof het je laatste dag is"
"Leef, alsof de morgen niet bestaat"
"Leef, alsof het nooit echt af is"
En "leef, pak alles wat je kan"

[["Leef, alsof het je laatste dag is"

84. Listen to the Music

The Doobie Brothers

Don't you feel it growin' day by day?
People gettin' ready for the news
Some are happy some are sad...
Oh... we got to let the music play

Umm-hmm
What the people need is a way to make 'em smile
It ain't so hard to do if you know how
Gotta get a message, get it on through...
Oh now mama don't you ask me why

Whoa oh whoa...
Listen to the music
Whoa oh whoa...
Listen to the music

Whoa oh whoa...
Listen to the music
All the time...

Well I know you know better everything I say
Meet me in the country for a day
We'll be happy and we'll dance
Oh... we're gonna dance our blues away

And if I'm feelin' good to you
And you're feelin' good to me
There ain't nothin' we can't do or say
Feelin' good, feeling fine
Oh, baby let the music play

Whoa oh whoa...
Listen to the music
Whoa oh whoa...

Listen to the music
Whoa oh whoa...
Listen to the music
All the time...

Like a lazy flowing river
Surrounding castles in the sky
And the crowd is growing bigger
Listening for the happy sounds
And I got to let them fly

((Whoa oh whoa...
Listen to the music
Whoa oh whoa...
Listen to the music
Whoa oh whoa...
Listen to the music
All the time...)) 2 x totaal

Whoa oh whoa...
Listen to the music (Listen to the music)
Whoa oh whoa... (Listen to the music)
Listen to the music (Listen to the music)
Whoa oh whoa... (Listen to the music)
Listen to the music (Listen to the music)
All the time...

85. Flowers

Miley Cyrus

We were good, we were gold
Kinda dream that can't be sold
We were right 'til we weren't
Built a home and watched it burn

Mmm, I didn't wanna leave you, I didn't wanna lie
Started to cry, but then remembered I

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than you can

Can love me better, I can love me better, baby
Can love me better, I can love me better, baby

Paint my nails cherry red
Match the roses that you left
No remorse, no regret
I forgive every word you said

Ooh, I didn't wanna leave you, baby, I didn't wanna fight
Started to cry, but then remembered I

I can buy myself flowers
Write my name in the sand
Talk to myself for hours, yeah
Say things you don't understand

I can take myself dancing, yeah
I can hold my own hand
Yeah, I can love me better than you can

Can love me better, I can love me better, baby
Can love me better, I can love me better, baby
Can love me better, I can love me better, baby
Can love me better, I (ooh, I)

I didn't wanna leave you, I didn't wanna fight
Started to cry, but then remembered I

I can buy myself flowers (uh-huh)
Write my name in the sand
Talk to myself for hours (yeah)
Say things you don't understand (you never will)

I can take myself dancing, yeah
I can hold my own hand
Yeah, I can love me better than
Yeah, I can love me better than you can

Can love me better, I can love me better, baby (uh)
Can love me better, I can love me better, baby (than you can)
Can love me better, I can love me better, baby
Can love me better, I

86. Think

Aretha Franklin

You better think (think)
Think about what you're tryin' to do to me, think (think-think)
Let your mind go, let yourself be free

Let's go back, let's go back, let's go way on to way back when
I didn't even know you, you couldn't been too much more than ten
(just a child)
I ain't no psychiatrist, I ain't no doctor with degrees
But it don't take too much IQ to see what you're doing to me
You better think (think)
Think about what you're tryin' to do to me, yeah, think (think-think)
Let your mind go, let yourself be free

'Cause freedom (freedom)
Stands for freedom (freedom)
Oh, freedom
Yeah, freedom!

Right now, freedom (freedom)
Oh-oh, freedom (freedom)
Give me some freedom
Oh, freedom! Oh-oh, right now...
Hey! Think about it
You! Think about it

There ain't nothin' you could ask
I could answer you with "I won't" (I won't)
But I was gonna change, but I'm not
If you keep doin' things I don't (don't)

You better think (think)
Think about what you're tryin' to do to me
(What you're tryin' to do to me) oh-oh, think (think)
Let your mind go, let yourself be free

People walk around everyday playin' games and takin' scores
Tryin' to make other people lose their mind, well, be careful you don't
lose yours

Oh, think (think), think about what you're tryin' to do to me
Woo-hoo, think (think), let your mind go, let yourself be free
You need me (need me)
And I need you (don't ya' know?)
Without each other
There ain't nothin' either can do
Oh, yeah, think about it, baby (what ya tryin' to do to me, think)
When I'm gone, baby, think about it right now

Yeah, right now (think about - forgiveness)
Woo, right now (think about - forgiveness)
Hey, right now (think about - forgiveness)
Please think about it (think about it)
Please baby, baby (think about it - forgiveness)
Woo, think about it, baby (think about - forgiveness)
Yeah, woo, think about it, baby (think about - forgiveness)
Please think about it

87. 99 Luftballons

Nena

Hast du etwas Zeit für mich?
Dann singe ich ein Lied für dich
Von neunundneunzig Luftballons
Auf ihrem Weg zum Horizont

Denkst du vielleicht grad an mich?
Dann singe ich ein Lied für dich
Von neunundneunzig Luftballons
Und dass sowas von sowas kommt

Neunundneunzig Luftballons
Auf ihrem Weg zum Horizont
Hielt man für Ufos aus dem All
Darum schickte ein General
'Ne Fliegerstaffel hinterher
Alarm zu geben, wenn's so wär'
Dabei war'n dort am Horizont

Nur neunundneunzig Luftballons

Neunundneunzig Düsenflieger
Jeder war ein großer Krieger
Hielten sich für Captain Kirk
Das gab ein großes Feuerwerk
Die Nachbarn haben nichts gerafft
Und fühlten sich gleich angemacht

Dabei schoss man am Horizont
Auf neunundneunzig Luftballons

Neunundneunzig Kriegsminister
Streichholz und Benzinkanister
Hielten sich für schlaue Leute
Witterten schon fette Beute

Riefen: "Krieg!" und wollten Macht
Mann, wer hätte das gedacht
Dass es einmal so weit kommt
Wegen neunundneunzig Luftballons

Wegen neunundneunzig Luftballons

Neunundneunzig Luftballons

Neunundneunzig Jahre Krieg
Ließen keinen Platz für Sieger
Kriegsminister gibt's nicht mehr
Und auch keine Düsenflieger
Heute zieh' ich meine Runden
Seh' die Welt in Trümmern liegen
Hab' 'n Luftballon gefunden
Denk' an dich und lass' ihn fliegen

88. Op Fietse

Skik

'k trap de fietse deur 't buulzand hen
Op 'n zandpad tussen Slien en Erm
En as ik dalijk eben in Diphorn ben
Dan fiets ik deur
Langs Ermerzand goa'k op Veenoord an
Neij Amsterdam en dan langs 't Dommerskanaal
En as ik dan de kassen zie dan fiets ik deur

Want ik wul aal wieder ik wul alles zien
De leste mooie dag van 't joar misschien
Alhoewel 't met de winterdag ok donders mooi kan wezen
Ik wul aal wieder deur noar Weiteveen
Want achter op 't veld daor ma 'k graag wezen
A'k hier zo fietse en 't weijt nie slim
Dan giet 't haost vanzölf

Wie döt mij wat, wie döt mij wat
Wie döt mij wat vandage 'k
Heb de banden vol met wind
Nee ik heb ja niks te klagen
Wie döt mij wat, wie döt mij wat
Wie döt mij wat vandage
'k zol haost zeggen, jao het mag wel zo

Trap de fietse deur 't buulzand hen
Op 'n zandpad langs de Duutse grens
Ik denk da'k dalijk even kieken gao in't buutenland
De gruppe over, op naor Schöningsdorf
Ik stao eben te kieken bij'n iemenkörf
En ik stao hier even te denken wat za'k nou doen
Links of recht deur
Want ik wul aal wieder nog naor Hebelmeer
'n kaorte he'k nie neudig want ik ken 't hier
Want a'k daor dalijk over 'n slootie gao

Dan ben'k weer terug in Nederland
Ik wul aal weer wieder nog naor Barger-Compas
Naor Klazienaveen-Noord en 't Oostersebos
A'k hier zo fietse en 't weijt nie slim
Dan giet 't haost vanzölf

Wie döt mij wat, wie döt mij wat
Wie döt mij wat vandage 'k
Heb de banden vol met wind
Nee ik heb ja niks te klagen
Wie döt mij wat, wie döt mij wat
Wie döt mij wat vandage
'k zol haost zeggen, jao het mag wel zo

'En nou gao ik over Barger-Oosterveld
Over 't schoelpattie kort daor bij de Honeywell
En dan recht deur tot de brugge van Oranjedorp
'n stukkje Bladderswieke en dan de Herendiek
En a'k pastoorse bos en de toren zie
Dan fiets ik deur want 't weijt nie slim
't giet vandaag vanzölf

Wie döt mij wat, wie döt mij wat
Wie döt mij wat vandage 'k
Heb de banden vol met wind
Nee ik heb ja niks te klagen
Wie döt mij wat, wie döt mij wat
Wie döt mij wat vandage
'k zol haost zeggen, jao het mag wel zo

Wie döt mij wat, wie döt mij wat
Wie döt mij wat vandage 'k
Heb de banden vol met wind
Nee ik heb ja niks te klagen
Wie döt mij wat, wie döt mij wat
Wie döt mij wat vandage
'k zol haost zeggen, jao het mag wel zo

89. Just Give Me a Reason

P!nk

Right from the start
You were a thief, you stole my heart
And I, your willing victim
I let you see the parts of me
That weren't all that pretty
And with every touch you fixed them

Now you've been talking in your sleep, oh, oh
Things you never say to me, oh, oh
Tell me that you've had enough
Of our love, our love

Just give me a reason
Just a little bit's enough
Just a second, we're not broken, just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
We're not broken, just bent
And we can learn to love again

I'm sorry I don't understand
Where all of this is coming from
I thought that we were fine (Oh, we had everything)
Your head is running wild again
My dear we still have everything
And it's all in your mind (Yeah, but this is happening)

You've been having real bad dreams, oh, oh
You used to lie so close to me, oh, oh
There's nothing more than empty sheets
Between our love, our love
Oh, our love, our love

Just give me a reason
Just a little bit's enough
Just a second, we're not broken, just bent
And we can learn to love again
I've never stopped
You're still written in the scars on my heart
You're not broken, just bent
And we can learn to love again

Oh, tears ducts and rust
I'll fix it for us
We're collecting dust
But our love's enough
You're holding it in
You're pouring a drink
No, nothing is as bad as it seems
We'll come clean
Just give me a reason
Just a little bit's enough
Just a second, we're not broken, just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
That we're not broken, just bent
And we can learn to love again

Just give me a reason
Just a little bit's enough
Just a second, we're not broken, just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
That we're not broken, just bent
And we can learn to love again
Oh-oh, we can learn to love again
Oh-oh, can learn to love again
Oh-oh, that we're not broken, just bent
And we can learn to love again

90. Born in The USA

Bruce Springsteen

Born down in a dead man's town
The first kick I took was when I hit the ground
You end up like a dog that's been beat too much
Till you spend half your life just covering up

Born in the U.S.A.
I was born in the U.S.A.
I was born in the U.S.A.
Born in the U.S.A.

Got in a little hometown jam
So they put a rifle in my hand
Sent me off to a foreign land
To go and kill the yellow man

Born in the U.S.A.
I was born in the U.S.A.
I was born in the U.S.A.
I was born in the U.S.A.
Born in the U.S.A.

Come back home to the refinery
Hiring man says "Son if it was up to me"
Went down to see my V.A. man
He said "Son, don't you understand"

I had a brother at Khe Sanh fighting off the Viet Cong
They're still there, he's all gone

He had a woman he loved in Saigon
I got a picture of him in her arms now

Down in the shadow of the penitentiary
Out by the gas fires of the refinery
I'm ten years burning down the road
Nowhere to run ain't got nowhere to go

Born in the U.S.A.
I was born in the U.S.A.
Born in the U.S.A.
I'm a long gone Daddy in the U.S.A.
Born in the U.S.A.
Born in the U.S.A.
Born in the U.S.A.
I'm a cool rocking Daddy in the U.S.A.

91. Would I Lie To You?

Charles & Eddie

No, no, no, baby (hmm, hmm, hmm, hmm)
(Ooh, look into my eyes) Na, na, na, na, na, na
(Would I lie to you baby?) Would I lie to you? (Would I lie to you?)

Look into my eyes
Can't you see they're open wide?
Would I lie to you baby?
Would I lie to you? Oh, yeah
Don't you know it's true
Girl, there's no one else but you?
Would I lie to you baby, yeah?

Everybody wants to know the truth
In my arms is the only proof
I've hidden my heart behind the bedroom door
Now it's open, I can't do no more

I'm telling you baby
You will never find another girl
In this heart of mine
(Oh, oh, oh, oh, oh) Oh

Look into my eyes (ooh, look into my eyes)
Can't you see they're open wide?
Would I lie to you baby?
Would I lie to you? Oh, yeah
Don't you know it's true (ooh, look into my eyes)
Girl, there's no one else but you?
Would I lie to you baby, yeah? (Would I lie to you?) (Come on)

Everybody's got their history (history)
On every page, a mystery (it's a mystery)
You can read my diary, you're in every line (la, la, la, la, la, la, la)
Jealous minds (jealous minds) are never satisfied (satisfied)

I'm telling you baby
You will never find another girl
In this heart of mine
(In this heart of mine) Wooh

Look into my eyes (ooh, look into my eyes)
Can't you see they're open wide?
Would I lie to you baby?
Would I lie to you? Oh, yeah
Don't you know it's true (ooh, look into my eyes)
Girl, there's no one else but you?
Would I lie to you baby, yeah? (Would I lie to you?)

(Would I lie to you?)
I wanna see you night and day (Would I lie?)
And tell you that I'm here to stay (Would I lie to you?)
Do you think I'd give my love away? (Would I lie?)
That's not the kind of game I play

I'm telling you baby
You will never find another girl
In this heart of mine
(In this heart of mine, deep in my heart) whoo

[[Look into my eyes (ooh, look into my eyes)
Can't you see they're open wide?
Would I lie to you baby?
Would I lie to you? Oh, yeah
Don't you know it's true (ooh, look into my eyes)
Girl, there's no one else but you?
Would I lie to you baby, yeah? (Would I lie to you?)]] 2 x

Come on, come on, come on, come on
Trust me baby (ooh, look into my eyes)
I won't lie to you, baby (would I lie to you?)
There ain't no-one else but you, darling (oh, yeah)
(Ooh, look into my eyes) Tell me what you need and I wanna be there

92. Viva La Vida

Coldplay

I used to rule the world
Seas would rise when I gave the word
Now in the morning, I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listened as the crowd would sing
"Now the old king is dead, long live the king"

One minute I held the key
Next, the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason, I can't explain
Once you'd gone, there was never
Never an honest word
And that was when I ruled the world

It was a wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become

Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string

Oh, who would ever want to be king?
I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason, I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

Hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason, I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

93. Brown Eyed Girl

Van Morrison

Hey, where did we go?
Days when the rains came
Down in the hollow
Playin' a new game

Laughin' and a-runnin', hey, hey
Skippin' and a-jumpin'
In the misty mornin' fog with
Our, our hearts a-thumpin' and you

My brown eyed girl
You my, brown eyed girl

And whatever happened
To Tuesday and so slow
Going down the old mine with a transistor radio

Standin' in the sunlight laughin'
Hidin' behind a rainbow's wall
Slippin' and a-slidin'
All along the waterfall with you

My brown eyed girl
You my, brown eyed girl

Do you remember when
We used to sing
Sha la la, la la, la la, la la, I-la te da
Just like that
Sha la la, la la, la la, la la, I-la te da
La te da

So hard to find my way
Now that I'm all on my own
I saw you just the other day
My, you have grown!

Cast my memory back there Lord
Sometimes I'm overcome thinkin' 'bout
Makin' love in the green grass
Behind the stadium with you

My brown eyed girl
You my, brown eyed girl

Do you remember when
We used to sing
Sha la la, la la, la la, la la, I-la te da (Lyin' in the green grass)
Sha la la, la la, la la, la la, I-la te da (Bit by, bit by, bit by, bit by, bit by,
bit)
Sha la la, la la, la la, la la, I-la te da
La, te da la, te da la, te da la, la la, la la
Sha la, la la, la la, la la, I-la te da

94. Rosamunde

Dennie Christian

Ja-pa-pa, ja-pa-pa, ja

Ich bin schon seit Tagen
Verliebt in Rosamunde
Ich denke jede Stunde
Sie muss es erfahren

Seh' ich ihre Lippen
Mit dem frohen Lachen
Möcht' ich alles machen
Um sie mal zu küssen

Aber heut' bestimmt, geh ich zu ihr (la la la la)
Gründe hab ich ja genug dafür (la la la la)
Ich trete einfach vor sie hin
Und sag ihr, wie verliebt ich bin

Sagt sie dann noch nein, ist mir's egal (la la la la)
Denn ich wart nicht auf ein ander' mal (la la la la)
Ich nehm sie einfach in den Arm
Und sage ihr mit meinem Charme

Rosamunde, schenk mir dein Herz und sag ja
Rosamunde, frag doch nicht erst die Mama
Rosamunde, glaub mir, auch ich bin dir treu
Denn zur Stunde, Rosamunde
Ist mein Herz gerade noch frei

Sie lässt mich noch warten
Und lächelt nur von ferne
Ich wüsste nur zu gerne
Wie andere es machten

Verborgen als Veilchen
Leb' ich in ihrer Nähe
Doch wenn ich sie sehe
Wart' ich noch ein Weilchen

Aber heut' bestimmt, geh ich zu ihr (la la la la)
Gründe hab ich ja genug dafür (la la la la)
Ich trete einfach vor sie hin
Und sag ihr, wie verliebt ich bin

Sagt sie dann noch nein, ist mir's egal (la la la la)
Denn ich wart nicht auf ein ander' mal (la la la la)
Ich nehm sie einfach in den Arm

95. In the Summertime

Mungo Jerry

In the summertime, when the weather is high
You can stretch right up and touch the sky
When the weather's fine
You got women, you got women on your mind
Have a drink, have a drive
Go out and see what you can find

If her daddy's rich, take her out for a meal
If her daddy's poor, just do what you feel
Speed along the lane, do a ton or a ton and twenty-five
When the sun goes down
You can make it, make it good in a lay-by

We're not grey people, we're not dirty, we're not mean
We love everybody, but we do as we please
When the weather's fine, we go fishing or go swimming in the sea
We're always happy, life's for living
Yeah, that's our philosophy

Sing along with us
Dee-dee-dee, dee-dee
Dah-dah-dah, dah-dah
Yeah we're hap-happy
Dah dah-dah
Dee-dah-do, dee-dah-do, dah-do-dah
Yeah, dah-do, dah-dah-dah
Dah-dah-dah, do-dah-dah (alright, alright, alright)
Alright

When the winter's here, yeah it's party time
Bring your bottle, wear your bright clothes
It'll soon be summertime
And we'll sing again, we'll go driving
Or maybe we'll settle down

If she's rich, if she's nice, bring your friends
And we'll all go into town

In the summertime, when the weather is high
You can stretch right up and touch the sky
When the weather's fine, you got women
You got women on your mind
Have a drink, have a drive, go out and see what you can find

If her daddy's rich, take her out for a meal
If her daddy's poor, just do what you feel
Speed along the lane, do a ton or a ton and twenty-five
When the sun goes down, you can make it
Make it good in a lay-by

We're not grey people, we're not dirty, we're not mean
We love everybody, but we do as we please
When the weather's fine, we go fishing or go swimming in the sea
We're always happy, life's for living
Yeah, that's our philosophy

Sing along with us
Dee-dee-dee, dee-dee
Dah-dah-dah, dah-dah
Yeah we're hap-happy
Dah dah-dah
Dee-dah-doo, dee-dah-do, dah-do-dah
Yeah dah-dah, dah-dah-dah

96. Avond

Frank Boeijen, Boudewijn De Groot

Nu hoef je nooit je jas meer aan te trekken
En te hopen dat je licht het doet.
Laat buiten de stormwind nu maar razen in het donker
Want binnen is het warm en licht en goed.

Hand in hand naar buiten kijken waar de regen valt.
Ik zie het vuur van hoop en twijfel in je ogen
En ik ken je diepste angst.
Want je kunt niets zeker weten en alles gaat voorbij.
Maar ik geloof, ik geloof, ik geloof,
Ik geloof, ik geloof in jou en mij.

En als je 's morgens opstaat ben ik bij je
En misschien heb ik al thee gezet.
En als de zon schijnt buiten gaan we lopen door de duinen
En als het regent gaan we terug in bed.
Uren langzaam wakker worden, zwevend door de tijd,
Ik zie het licht door de gordijnen en ik weet:
Het verleden geeft geen zekerheid.

Want je kunt niets zeker weten en alles gaat voorbij.
Maar ik geloof, ik geloof, ik geloof,
Ik geloof, ik geloof in jou en mij.
Ik geloof, ik geloof, ik geloof,
Ik geloof, ik geloof in jou en mij.

Ik doe de lichten uit en de kamer wordt nu donker,
Een straatlantaarn buiten geeft wat licht.
En de dingen in de kamer worden vrienden die gaan slapen,
De stoelen staan te wachten op het ontbijt.
En morgen word ik wakker met de geur van brood en honing,
De glans van het gouden zonlicht in jouw haar.

En de dingen in de kamer, ik zeg ze welterusten,
Vanavond gaan we slapen en morgen zien we wel.
Maar de dingen in de kamer zouden levenloze dingen zijn zonder jou.

En je kunt niets zeker weten, want alles gaat voorbij.
Maar ik geloof, ik geloof, ik geloof,
Ik geloof, ik geloof in jou en mij.

Ik geloof, ik geloof, ik geloof,
Ik geloof, ik geloof in jou en mij.

En je kunt niets zeker weten, want alles gaat voorbij.
Maar ik geloof, ik geloof, ik geloof,
Ik geloof, ik geloof in jou en mij.

Ik geloof, ik geloof, ik geloof,
Ik geloof, ik geloof in jou en mij.

97. Du

Peter Maffay

In deinen Augen steht so vieles, was mir sagt
Du fühlst genau so wie ich
Du bist das Mädchen, das zu mir gehört
Ich lebe nur noch für dich

Du bist alles, was ich habe auf der Welt
Du bist alles, was ich will
Du, du allein kannst mich versteh'n
Du, du darfst nie mehr von mir geh'n

Seit wir uns kennen
Ist mein Leben bunt und schön
Und es ist schön nur durch dich
Was auch gescheh'n mag, ich bleibe bei dir
Ich lass' dich niemals im Stich

Du bist alles, was ich habe auf der Welt
Du bist alles, was ich will, yeah
Du, du allein kannst mich versteh'n
Du, du darfst nie mehr von mir geh'n

Du, ich will dir etwas sagen
Was ich noch zu keinem anderen Mädchen
Zu keinem anderen Mädchen gesagt habe
Ich hab' dich lieb
Ja, ich hab' dich lieb
Und ich will dich immer liebhaben
Immer, immer
Nur dich

Wo ich auch bin
Was ich auch tu'
Ich hab' ein Ziel
Und dieses Ziel bist du

Bist du
Bist du

Ich kann nicht sagen, was du für mich bist
Sag, dass ich dich, dich nie verlier'
Ohne dich leben, das kann ich nicht mehr
Nichts kann mich trennen von dir

Du bist alles, was ich habe auf der Welt
Du bist alles, was ich will, yeah
Du, du allein kannst mich versteh'n
Du, du darfst nie mehr von mir geh'n
Du, du allein kannst mich versteh'n

98. Blauw

The Scene

Ik heb vannacht gedronken en gezien
Hoe geen vrouw ooit krijgt wat ze verdient
Het zien duurt een seconde
De gedachte blijft voor altijd
Ik heb vannacht gedronken en gezien

Ik heb vannacht gekeken en beleefd
Hoe geen vrouw ooit terugkrijgt wat ze geeft
Er is geen macht ter wereld
Die niet vroeg of laat opzij trapt
Want ik heb vannacht gekeken en beleefd

En blauw, blauw, blauw
Keer ik terug naar jou
Blauw, blauw, blauw
Yeah
Blauw
(Blauw)

Ik heb zojuist gedronken en gezien
Hoe jij van mij nooit krijgt wat je verdient
Als weer één die altijd vooruit, en...
Daarom nooit opzij kijkt
Want ik heb vannacht gekeken en gezien

En blauw, blauw, blauw
Keer ik terug naar jou
Blauw, blauw, blauw
Yeah
Blauw
(Blauw)

Want het zien duurt een seconde
En de gedachte blijft voor altijd
En dus, blauw
(Blauw)

Dus hier kom ik aan
Hier ben ik lief, ik...
Geef mezelf aan jou
Blauw
(Blauw)

Blauw
(Blauw)
(Blauw)
(Blauw)
(Blauw)
(Blauw)

99. Wind Of Change

Scorpions

I follow the Moskva
Down to Gorky Park
Listening to the wind of change

An August summer night
Soldiers passing by
Listening to the wind of change

The world is closing in
Did you ever think
That we could be so close, like brothers

The future's in the air
Can feel it everywhere
I'm blowing with the wind of change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away (dream away)
In the wind of change

Walking down the street
Distant memories
Are buried in the past forever

I follow the Moskva
Down to Gorky Park
Listening to the wind of change

Take me to the magic of the moment (take me)
On a glory night (a glory night)
Where the children of tomorrow share their dreams (share their
dreams)
With you and me (with you and me)

Take me to the magic of the moment (take me)
On a glory night (a glory night)
Where the children of tomorrow dream away (dream away)
In the wind of change (the wind of change)

The wind of change blows straight
Into the face of time
Like a storm wind that will ring
The freedom bell for peace of mind
Let your balalaika sing
What my guitar wants to say

Take me to the magic of the moment (take me)
On a glory night (a glory night)
Where the children of tomorrow share their dreams (share their
dreams)
With you and me (with you and me)

Take me to the magic of the moment (take me)
On a glory night (a glory night)
Where the children of tomorrow dream away (dream away)
In the wind of change (the wind of change)

100. Multicolor

Son Mieux

Waking tonight from a dream black and white
To a life in multicolor
Polarized lights, flash and open my eyes
To a world that's undiscovered

I see you, I see me like a lost memory
That's appearing out of the blue
All is new, that I see, now I truly perceive
There is more than I ever knew

In this view
I see all the colors in you
In this view
I see all the colors in you

The rhythm of the street looks like music to me
It's a sound that I ain't ever seen before
Had to hear it to receive it
Had to see it to believe it
Had to lose it to know what I was looking for

I see you, I see me like a lost memory
That's appearing out of the blue
All is new, that I see, now I truly perceive
There is more than I ever knew

In this view
I see all the colors in you
In this view
I see all the colors in you
Multicolor
Multicolor
Multicolor
I see all the colors in you

Watching as the night turns to morning
The temporary tones of the sky
Remind me that we're always evolving
Nothing's ever black and white
So it's you and I, and it's all

Multicolor
Multicolor
I see all the colors in you

In this view
I see all the colors in you
In this view
I see all the colors in you

Multicolor
Multicolor
Multicolor
I see all the colors in you

101. Sweet Goodbyes

Krezip

Can't sleep, 'cause everything's changing
You don't want to leave things behind
Can't breathe, 'cause too many things going on
Going wrong in your life
Tears in your eyes
Sweet goodbyes

I know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home, so I can hold you tight
Get you through the night
I'll get you through the night

Wake up, the sun's shining bright
Let's go out of bed, into the light
Shape up, we won't forget
Still there's lots of love left to hold tight
Tears in your eyes
Sweet goodbyes

I know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home, so I can hold you tight
Get you through the night

Everything I love between us will get us through the night
All the things we've lost will teach us, see the pretty things in life
All the places that we've been to, the people we relate to
All the love that we give in to

Blow the tears from our eyes
Sweet goodbyes

I know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home, so I can hold you tight

I know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home, so I can hold you tight

I'll get you through the night

102. Killing Me Softly

Roberta Flack

Strumming my pain with his
fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his
words
Killing me softly with his song

I heard he sang a good song
I heard he had a style
And so I came to see him to
listen for a while
And there he was this young boy,
a stranger to my eyes

Strumming my pain with his
fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his
words
Killing me softly with his song

I felt all flushed with fever
Embarrassed by the crowd
I felt he found my letters
And read each one out loud
I prayed that he would finish
But he just kept right on

Strumming my pain with his
fingers
Singing my life with his words
Killing me softly with his song

Killing me softly with his song
Telling my whole life with his
words
Killing me softly with his song

He sang as if he knew me in all
my dark despair
And then he looked right through
me as if I wasn't there
And he just kept on singing,
singing clear and strong

Strumming my pain with his
fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his
words
Killing me softly with his song

Woho, la la la la la la, woho,
laha, la

Strumming my pain with his
fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his
words
Killing me (softly)

He was strumming my pain
Yeah, he was singing my life
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his
words
Killing me softly with his song

103. Ring of Fire

Johnny Cash

Love is a burning thing
And it makes a fiery ring
Bound by wild desire
I fell into a ring of fire

I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire

I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire

The taste of love is sweet
When hearts like ours meet
I fell for you like a child
Oh, but the fire went wild

[[I fell in to a burning ring of fire
I went down, down, down
And the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire **]] 2 x**

And it burns, burns, burns
The ring of fire, the ring of fire
The ring of fire, the ring of fire

104. Sweet Caroline

Neil Diamond

Where it began
I can't begin to know when
But then I know it's growin'
strong

Was in the spring
And spring became the summer
Who'd have believe you'd come
along?

Hands
Touchin' hands
Reachin' out
Touching me, touchin' you

Sweet Caroline
Good times never seemed so
good
I've been inclined
To believe they never would

But now I look at the night
And it don't seem so lonely
We fill it up with only two
And when I hurt
Hurtin' runs off my shoulders
How can I hurt when holdin' you?

Warm
Touchin' warm
Reachin' out
Touchin' me, touchin' you

Sweet Caroline
Good times never seemed so
good
I've been inclined
To believe they never would, oh,
no, no

Sweet Caroline
Good times never seemed so
good
Sweet Caroline
I believe they never could
Sweet Caroline

105. Nobody's Wife

Anouk

I'm sorry
For the times that I made you scream
For the times that I killed your dreams
For the times that I made your whole world rumble
For the times that I made you cry
For the times that I told you lies
For the times that I watched and let you stumble

It's too bad, but that's me
What goes around comes around, and you'll see
That I can carry the burden of pain
'Cause it ain't the first time that a man goes insane
And when I spread my wings to embrace him for life
Suckin' out his love, I, I'll never be nobody's wife

I'm sorry
For the times that I didn't come home
Left you lyin' in that bed alone
Was flyin' high in the sky when you needed my shoulder
Like a stone hangin' round my neck, see
Cut it loose before it breaks my back, see
I've gotta say what I feel before I grow older

I'm sorry but I ain't gonna change my ways
You know I've tried but I'm still the same
I got to do it my way

[[It's too bad, but hey, that's me
What goes around comes around, you'll see
That I can carry the burden of pain
'Cause it ain't the first time, no, that a man goes insane
And when I spread my wings to embrace him for life
Suckin' out his love, I, I'll never be nobody's wife, yeah]] **2 x**

I'll never be, never be, never gonna be, never gonna be, never gonna
be
Nobody's wife
Nobody, yeah, nobody, yeah, no no no, never gonna be, never gonna
be

106. Beds Are Burning

Midnight Oil

Out where the river broke
The bloodwood and the desert
oak
Holden wrecks and boiling
diesels
Steam in forty five degrees

The time has come
To say fair's fair
To pay the rent
To pay our share

The time has come
A fact's a fact
It belongs to them
Let's give it back

How can we dance
When our earth is turning?
How do we sleep
While our beds are burning?

How can we dance
When our earth is turning?
How do we sleep
While our beds are burning?

The time has come
To say fair's fair
To pay the rent now
To pay our share

Four wheels scare the cockatoos
From Kintore East to Yuendumu

The Western Desert lives and
breathes
In forty five degrees

The time has come
To say fair's fair
To pay the rent
To pay our share

The time has come
A fact's a fact
It belongs to them
Let's give it back

How can we dance
When our earth is turning?
How do we sleep
While our beds are burning?

How can we dance
When our earth is turning?
How do we sleep
While our beds are burning?

The time has come
To say fair's fair
To pay the rent now
To pay our share

The time has come
A fact's a fact
It belongs to them
We're gonna give it back

How can we dance
When our earth is turning?
How do we sleep
While our beds are burning?

107. Rose Garden

Lynn Anderson

I beg you pardon, I never promised you a rose garden
Along with the sunshine, there's gotta be a little rain sometimes
When you take, you got to give so live and let live or let go
I beg you pardon, I never promised you a rose garden

I could promise you things like big diamond rings
But you don't find roses growin' on stalks of clover so you better think
it over
When it's sweet talking you could make it come true
I would give you the world right now on a silver platter
But what would it matter

So smile for a while and let's be jolly, love shouldn't be so melancholy
Come along and share the good times while we can
I beg you pardon I never promised you a rose garden
Along with the sunshine
There's gotta be a little rain sometimes

I could sing you a tune and promise you the moon
But if that's what it takes to hold you I'd just as soon let you go
But there's one thing I want you to know

You better look before you leap, still water runs deep
And there won't always be someone there, girl to pull you out
And you know what I'm talking about

So, smile for a while and let's be jolly, love shouldn't be so melancholy
Come along and share the good times while we can
I beg you pardon I never promised you a rose garden
Along with the sunshine, there's gotta be a little rain sometimes
A little bit of rain

108. Engelbewaarder

Marco Schuitmaker

Duizenden strepen
Duizenden bomen
Ben in gedachten
Ben aan het dromen
Je zit in mijn auto
En voel me bevrijd
Daarin zit mijn leven
Ik heb alle tijd

Je zit zonder zorgen
Nergens aan denken
Even maar stoppen
Om bij te tanken
Flitsende lampen
Een motor die draait
Toch waarschuwt een haan
In je hoofd die kraait

Ik weet nu
Dat er een engelbewaarder
bestaat
Je kunt haar niet zien
Als ze zachtjes tegen je praat
Ik weet nu ook
Dat zo'n engelbewaarder op je
let
Ik kan het weten
Ik ben er zelf eens door gered

Tien kilometer
Dan ben je weer thuis
Je ziet in de verte
Het dak van je huis
Je voelt dat je slaap hebt
Toch rij je maar door
Een engelbewaarder
Die bijna verloor

En dan zie je bloemen
Alles is wit
Het is toch je moeder
Die naast je zit
Je kijkt in haar ogen
En ziet dan een traan
Alsof ze wil zeggen
Voorzichtig voortaan

[[Ik weet nu
Dat er een engelbewaarder
bestaat
Je kunt haar niet zien
Als ze zachtjes tegen je praat
Ik weet nu ook
Dat zo'n engelbewaarder op je
let

Ik kan het weten

109. Suzanne

V.O.F. De Kunst

We zitten samen in de kamer
En de stereo staat zacht
En ik denk, nu gaat het gebeuren
Hierop heb ik zo lang gewacht

Niemand in huis, de deur op slot
Mijn avond kan niet meer kapot

Suzanne, Suzanne
Suzanne, ik ben stapelgek op jou
Oh-oh-oh-oh-oh

Ik leg mijn arm om haar
schouders
Streel haar zachtjes door haar
haar
Ik kan het bijna niet geloven
Voorzichtig kussen wij elkaar

En opeens gaat de telefoon
En een vriendelijke stem aan de
andere kant van de lijn
Verontschuldigt zich voor het
verkeerd verbonden zijn
En ik denk bij mezelf, waarom
nu, waarom ik?
Waarom?

Suzanne, Suzanne
Suzanne, ik ben stapelgek op jou
(Suzanne, Suzanne)
(Suzanne, hij is stapelgek op jou)
Ha-ha-ha-ha, uhum

'K Ga maar weer opnieuw
beginnen
'K Zoen haar teder in haar nek
Maar de hartstocht is verdwenen
En ze reageert zo gek

Ze vraagt of er nog cola is
En ik denk, nu is het mis

Hey, Suzanne, Suzanne
Suzanne, ik ben stapelgek op jou
Hey-hey-hey-hey-hey

Aah-ha, aah-ha
Aah-ha, aah-ha

We zitten nog steeds in de
kamer
Met de stereo op tien
'T Zal nu wel niet meer gebeuren
Dus ik hou het voor gezien

Ze zegt: "Ik denk dat ik maar ga"
Ze zegt: "Tot ziens", en ik zeg:
"Ja"

Suzanne (Suzanne)
Suzanne, ik ben stapelgek op jou
(Suzanne, Suzanne)

Ik ben stapelgek op jou
