110. Time Stood Still

Bad English

The first time that I saw you
You were dancin' on the beach
Poetry in motion
But you seemed so out of reach
And the waves
Were breakin' 'round you
In the California sunset

I made a wish to know you
And touch your golden hair
You turned around and looked at me
And paradise was there
Baby I remember the way you took my hand
Yesterday

Time stood still
As we walked into the night together
The memory is locked in our hearts forever
It seems just like yesterday
Time stood still

We found a little seaside bar
High above the rocks
You were drinking white wine
And I was doing shots
I wondered if you'd stay the night
You just took my hand and led the way

Time stood still
As we made love through the night together
The memory is locked in our hearts forever
Time stood still
Time stood still
The memory is locked in our hearts forever
Oh yeah

I thought that I'd seen love before
But what you showed me
Well that's something more
Love found two strangers walking on the shore
We threw our watches in the sea
I looked at you you looked at me
And time stood still

We made a fire on the beach that night
And watched the seagulls circle in the morning light
Maybe there are some things
We're not meant to understand

Anyway

Time stood still
But love goes on forever
The memory is burned in our hearts forever
Oh yes

Time stood still
The moment's gone forever
But I will love you till
Time stands still in our hearts forever
Oh yeah

Time stood still
Time stood still
Time stands still in our hearts forever
Seems just like yesterday
Time stood still
Time stands still
Time stood still
Oh yeah
Time stood still
Forever...

111. Angels

Robbie Williams

I sit and wait
Does an angel contemplate my fate
And do they know

The places where we go
When we're grey and old
'Cause I have been told
That salvation lets their wings unfold

So when I'm lying in my bed
Thoughts running through my head
And I feel the love is dead
I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead

When I'm feeling weak
And my pain walks down a one way street

I look above
And I know I'll always be blessed with love

And as the feeling grows
She breathes flesh to my bones
And when love is dead
I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead

112. Ways To Say Goodbye

Train

My heart is paralyzed
My head was oversized
I'll take the high road like I should

You said, "It's meant to be
That it's not you, it's me"
You're leaving now for my own good

That's cool, but if my friends ask where you are, I'm gonna say

She went down in an airplane
Fried getting suntanned
Fell in a cement mixer full of quicksand
Help me, help me, I'm no good at goodbyes

She met a shark underwater
Fell and no one caught her
I returned everything I ever bought her
Help me, help me, I'm all out of lies
And ways to say you died

My pride still feels the sting
You were my everything
Someday I'll find a love like yours (a love like yours)

She'll think I'm Superman
Not super minivan
How could you leave on Yom Kippur?

That's cool, but if my friends ask where you are, I'm gonna say

She was caught in a mudslide
Eaten by a lion
Got run over by a crappy purple Scion
Help me, help me, I'm no good at goodbyes

She dried up in the desert
Drowned in a hot tub
Danced to death at an east side nightclub
Help me, help me, I'm all out of lies
And ways to say you died

Ah-ah
Ah-ah
Oh-oh

I wanna live a thousand lives with you
I wanna be the one you're dying to love
But you don't want to

That's cool, but if my friends ask where you are, I'm gonna say
That's cool, but if my friends ask where you are, I'm gonna say

She went down in an airplane
Fried getting suntanned
Fell in a cement mixer full of quicksand
Help me, help me, I'm no good at goodbyes

113. We Can Work It Out

The Beatles

Try to see it my way
Do I have to keep on talking till I can't go on?
While you see it your way
Run the risk of knowing that our love may soon be gone

We can work it out
We can work it out

Think of what you're saying
You can get it wrong and still you think that it's alright
Think of what I'm saying
We can work it out and get it straight, or say good night

We can work it out
We can work it out

Life is very short, and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you once again

Try to see it my way
Only time will tell if I am right or I am wrong
While you see it your way
There's a chance that we may fall apart before too long

We can work it out
We can work it out

Life is very short, and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you once again

114. Het Dorp

Wim Sonneveld

Thuis heb ik nog een ansichtkaart
Waarop een kerk een kar met paard
Een slagerij J. van der Ven
Een kroeg, een juffrouw op de fiets
Het zegt u hoogstwaarschijnlijk niets, maar het is waar ik geboren ben

Dit dorp
Ik weet nog hoe het was
De boerenkind'ren in de klas
Een kar die ratelt op de keien
Het raadhuis met een pomp ervoor
Een zandweg tussen koren door
Het vee, de boerderijen

En langs het tuinpad van m'n vader
Zag ik de hoge bomen staan
Ik was een kind en wist niet beter
Dan dat 't nooit voorbij zou gaan

Wat leefden ze eenvoudig toen
In simp'le huizen tussen groen
Met boerenbloemen en een heg
Maar blijkbaar leefden ze verkeerd
Het dorp is gemoderniseerd
En nou zijn ze op de goeie weg
Want ziet, hoe rijk het leven is
Ze zien de televisiequiz
En wonen in betonnen dozen
Met flink veel glas,
Dan kun je zien
Hoe of het bankstel staat bij Mien
En d'r dressoir met plastic rozen

En langs het tuinpad van m'n vader
Zag ik de hoge bomen staan
Ik was een kind en wist niet beter
Dan dat 't nooit voorbij zou gaan

De dorpsjeugd klit wat bij elkaar
In minirok en Beatle-haar en joelt wat mee met beat-muziek
Ik weet wel het is hun goeie recht
De nieuwe tijd, net wat u zegt
Maar het maakt me wat melancholiek

Ik heb hun vaders nog gekend
Ze kochten zoethout voor een cent
Ik zag hun moeders touwtjespringen
Dat dorp van toen, het is voorbij
Dit is al wat er bleef voor mij
Een ansicht en herinneringen

Toen ik langs het tuinpad van m'n vader
De hoge bomen nog zag staan
Ik was een kind, hoe kon ik weten
Dat dat voorgoed voorbij zou gaan

115. Another Love

Tom Odell

I wanna take you somewhere so you know I care
But it's so cold, and I don't know where
I brought you daffodils in a pretty string
But they won't flower like they did last spring

And I wanna kiss you, make you feel alright
I'm just so tired to share my nights
I wanna cry and I wanna love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up

Oh, ooh

And if somebody hurts you, I wanna fight
But my hands been broken, one too many times
So I'll use my voice, I'll be so fucking rude
Words, they always win, but I know I'll lose

And I'd sing a song, that'd be just ours
But I sang 'em all to another heart
And I wanna cry I wanna learn to love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up

Oh, oh, oh

(Oh, need a love, now, my heart is thinking of)

I wanna sing a song, that'd be just ours

But I sang 'em all to another heart

And I wanna cry, I wanna fall in love

But all my tears have been used up

On another love, another love

All my tears have been used up

On another love, another love

All my tears have been used up

On another love, another love

All my tears have been used up

Oh, oh

116. Lemon Tree

Fools Garden

I'm sittin' here in the boring room
It's just another rainy Sunday afternoon
I'm wasting my time
I got nothin' to do
I'm hangin' around
I'm waitin' for you
But nothing ever happens and I wonder

I'm drivin' around in my car
I'm drivin' too fast
I'm drivin' too far
I'd like to change my point of view
I feel so lonely
I'm waitin' for you
But nothing ever happens and I wonder

I wonder how
I wonder why
Yesterday you told me 'bout the blue blue sky
And all that I can see is just a yellow lemon tree
I'm turnin' my head up and down
I'm turnin', turnin', turnin', turnin', turnin' around
And all that I can see is just another lemon tree

Sing!
Dap-dadada-dadpm-didap-da
Dadada-dadpm-didap-da
Dap-didili-da

I'm sittin' here
I miss the power
I'd like to go out takin' a shower
But there's a heavy cloud inside my head
I feel so tired
Put myself into bed
Well, nothing ever happens and I wonder

Isolation is not good for me
Isolation, I don't want to sit on the lemon tree
I'm steppin' around in the desert of joy
Baby, anyhow I'll get another toy
And everything will happen and you wonder

I wonder how
I wonder why
Yesterday you told me 'bout the blue blue sky
And all that I can see is just another lemon tree
I'm turnin' my head up and down
I'm turnin', turnin', turnin', turnin', turnin' around
And all that I can see is just a yellow lemon tree
And I wonder, wonder

I wonder how
I wonder why
Yesterday you told me 'bout the blue blue sky
And all that I can see
And all that I can see
And all that I can see
Is just a yellow lemon tree

117. Girl on Fire

Álicia Keys

She's just a girl and she's on fire
Hotter than a fantasy, lonely like a highway
She's living in a world and it's on fire
Filled with catastrophe, but she knows she can fly away

Oh, oh oh oh oh
She got both feet on the ground
And she's burning it down
Oh, oh oh oh oh, oh oh oh oh
She got her head in the clouds
And she's not backing down

This girl is on fire
This girl is on fire
She's walking on fire
This girl is on fire

Looks like a girl, but she's a flame
So bright, she can burn your eyes
Better look the other way
You can try, but you'll never forget her name
She's on top of the world
Hottest of the hottest girls, say

Oh, oh oh oh oh
We got our feet on the ground
And we're burning it down
Oh, oh oh oh oh, oh oh oh oh
Got our head in the clouds
And we're not coming down

This girl is on fire (fire, fire)
This girl is on fire (fire)
She's walking on fire (fire, fire)
This girl is on fire (fire)

Everybody stares as she goes by
'Cause they can see the flame that's in her eyes
Watch her as she's lighting up the night
Nobody knows that she's a lonely girl
And it's a lonely world
But she gon' let it burn, baby, burn, baby

This girl is on fire (fire, fire)
This girl is on fire (fire)
She's walking on fire (fire, fire)
This girl is on fire (fire)

She's just a girl, but she's on fire

118. Memories

Maroon 5

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

There's a time that I remember, when I did not know no pain
When I believed in forever, and everything would stay the same
Now my heart feel like December when somebody say your name
'Cause I can't reach out to call you, but I know I will one day, yeah

Everybody hurts sometimes
Everybody hurts someday, ayy-ayy
But everything gon' be alright
Go and raise a glass and say, ayy

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

Doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo
Memories bring back, memories bring back you

There's a time that I remember when I never felt so lost
When I felt all of the hatred was too powerful to stop (ooh, yeah)
Now my heart feel like an ember and it's lighting up the dark
I'll carry these torches for ya and you know I'll never drop, yeah

Everybody hurts sometimes
Everybody hurts someday, ayy-ayy
But everything gon' be alright
Go and raise a glass and say, ayy

Here's to the ones that we got (oh-oh)
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through (no, no)
Toast to the ones here today (ayy)
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories (ayy)
And the memories bring back, memories bring back you

Doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo
Memories bring back, memories bring back you

Doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo-doo (ooh, yeah)
Memories bring back, memories bring back you

Yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, no, no
Memories bring back, memories bring back you

119. Duurt te lang

Davina Michelle

We konden over alles praten, alles
Maar alles ging over de liefde, we vergaten alles
In een brief, een sms'je, in een liedje schreef ik
"Ik zou alles voor je doen en voor je liefde leef ik"
En die liefde kreeg ik, en vaak in overmate
Je kon de drempels van het leven aan me overlaten
Je zag die meiden haten, want ik had m'n superheld
Je had je vrienden net te vaak over mij verteld

Nu staren we samen naar de tafel met de mondjes dicht
Blikken die vanzelf spreken in ons gezicht
Ik heb het overgrote deel van alles aangericht
Maar ik rij te lang in deze tunnel en ik zie geen licht
Dus doe je ogen dicht, voor onze laatste set
En denk terug aan het kleine huisje met het kleine bed, shit
Maar morgen is de pijn terug
Staan we uren op de halte en rijdt de trein terug

Het duurt te lang, we staan hier al een tijdje
En we moeten door, dus voor de laatste keer: "Het spijt me"
Het duurt te lang, woah-oooh
Het duurt te lang
We staan stil, wat jij wil, wat ik wil
Het duurt te lang

Twee stille mensen aan de tafel, het is geen gezicht
Ik kan die route niet belopen met m'n ogen dicht
Je weet precies wat ik ga zeggen, ik weet het ook van jou
En op het eind vertel ik vast hoeveel ik van je hou
En daarna slaan de deuren weer en breekt er weer een glas
Daarna valt er weer een traan en pak ik weer m'n tas
En daarna hou ik je weer stevig vast
En leg m'n kleren weer terug in de kast

Dus ik hou je nog een poosje vast
Want dan vergeet je nog hoe boos je was
Maar de pijn blijft zitten, dus het helpt niet
Dus waarschijnlijk is het morgen weer hetzelfde lied
De tekst komt op hetzelfde neer in dezelfde beat
Een soort van gouden verf op een blok verdriet
Conflicten zijn normaal, maar het moet ons niet verstikken
M'n tranen vallen niet, dus laat ik het liedje snikken

Het duurt te lang, we staan hier al een tijdje
En we moeten door, dus voor de laatste keer: "Het spijt me"
Het duurt te lang, woah-oooh
Het duurt te lang
(We staan stil, wat jij wil, wat ik wil)
Het duurt te lang

120. One

U2

Is it getting better?
Or do you feel the same?
Will it make it easier on you now?
You got someone to blame

You say, one love, one life
When it's one need in the night
One love, we get to share it
Leaves you baby if you don't care for it

Did I disappoint you?
Or leave a bad taste in your mouth?
You act like you never had love
And you want me to go without

Well it's too late tonight
To drag the past out into the light
We're one but we're not the same
We get to carry each other, carry each other
One!

Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play Jesus?
To the lepers in your head

Did I ask too much? More than a lot
You gave me nothin' now it's all I got
We're one but we're not the same
Well we hurt each other then we do it again

You say love is a temple, love a higher law
Love is a temple, love the higher law
You ask me to enter but then you make me crawl
And I can't be holdin' on to what you got
When all you got is hurt

One love, one blood
One life, you got to do what you should
One life, with each other
Sisters, brothers

One life but we're not the same
We get to carry each other, carry each other
One
One

121. Careless Whisper

George Michael

I feel so unsure

As I take your hand and lead you to the dance floor

As the music dies, something in your eyes

Calls to mind a silver screen and all its sad goodbyes

I'm never gonna dance again, guilty feet have got no rhythm

Though it's easy to pretend, I know you're not a fool

I should have known better than to cheat a friend

And waste a chance that I'd been given

So I'm never gonna dance again the way I danced with you

Time can never mend

The careless whispers of a good friend

To the heart and mind, ignorance is kind

There's no comfort in the truth, pain is all that you'll find

I'm never gonna dance again, guilty feet have got no rhythm

Though it's easy to pretend, I know you're not a fool

I should have known better than to cheat a friend

And waste a chance that I'd been given

So I'm never gonna dance again the way I danced with you

Never without your love

Tonight the music seems so loud

I wish that we could lose this crowd

Maybe it's better this way

We'd hurt each other with the things we want to say

We could have been so good together

We could have lived this dance forever

But now who's gonna dance with me?

Please, stay

And I'm never gonna dance again, guilty feet have got no rhythm
Though it's easy to pretend, I know you're not a fool
I should have known better than to cheat a friend
And waste a chance that I'd been given
So I'm never gonna dance again the way I danced with you

Now that you're gone
Now, that you're gone
Now that you're gone
Was what I did so wrong, so wrong
That you had to leave me alone?

122. September

Earth Wind & Fire

Do you remember
The 21st night of September?
Love was changing the minds of pretenders
While chasing the clouds away

Our hearts were ringing
In the key that our souls were singing
As we danced in the night, remember
How the stars stole the night away, oh yeah (hey, hey, hey)

Ba-dee-ya, say, do you remember?
Ba-dee-ya, dancing in September
Ba-dee-ya, never was a cloudy day

Ba-du-du, ba-du-du, ba-du-du, ba-du-du
Ba-du-du, ba-du-du, ba-du-du, ba-du-du
Ba-du-du, ba-du-du, ba-du-da

My thoughts are with you
Holding hands with your heart to see you
Only blue talk and love, remember
How we knew love was here to stay

Now December
Found the love we shared in September
Only blue talk and love, remember
The true love we share today (hey, hey, hey)

Ba-dee-ya, say, do you remember?
Ba-dee-ya, dancing in September
Ba-dee-ya, never was a cloudy day

There was a-
Ba-dee-ya, say, do you remember?
Ba-dee-ya, dancing in September
Ba-dee-ya, golden dreams were shiny days

The bell was ringing, oh, oh
Our souls were singing
Do you remember?
Never a cloudy day, yo

There was a-
Ba-dee-ya, say, do you remember?
Ba-dee-ya, dancing in September
Ba-dee-ya, never was a cloudy day

And we'll say
Ba-dee-ya, say, do you remember?
Ba-dee-ya, dancing in September
Ba-dee-ya, golden dreams were shiny days

Ba-dee-ya, dee-ya, dee-ya
Ba-dee-ya, dee-ya, dee-ya
Ba-dee-ya, dee-ya, dee-ya, dee-ya

Ba-dee-ya, dee-ya, dee-ya
Ba-dee-ya, dee-ya, dee-ya
Ba-dee-ya, dee-ya, dee-ya, dee-ya

123. I wanna know what love is

Foreigner

I've gotta take a little time
A little time to think things over
I better read between the lines
In case I need it when I'm older

This mountain, I must climb
Feels like a world upon my shoulders
Through the clouds, I see love shine
Keeps me warm as life grows colder

In my life, there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely life

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me (hey)

Gotta take a little time
Little time to look around me
I've got nowhere left to hide
Looks like love has finally found me

In my life, there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely life

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

I wanna know what love is
I want you to show me (I wanna feel)
I wanna feel what love is (I know)
I know you can show me
Let's talk about love

I wanna know what love is
(Love that you feel inside)
I want you to show me
(I'm feeling so much love)
I wanna feel what love is
(And you know, you just can't hide)
I know you can show me

Oh, I wanna know what love is
(Let's talk about love)
I know you can show me
(I wanna feel)
I wanna feel what love is
(And I know and I know)
I know you can show me
I wanna feel what love is (oh, I wanna know)
I want you to show me

124. Kiss From A Rose

Seal

Ba-ya-ya, ba-da, ba-da-da-da, ba-ba-ya-ya
Ba-ya-ya, ba-da, ba-da-da-da, ba-ba-ya-ya
Ba-ya-ya, ba-da, ba-da-da-da, ba-ba-ya-ya
Ba-ya-ya, ba-da, ba-da-da-da, ba-ba-ya-ya

There used to be a greying tower alone on the sea
You became the light on the dark side of me
Love remained a drug that's the high and not the pill

But did you know that when it snows
My eyes become large and
The light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the grey
Ooh, the more I get of you, the stranger it feels, yeah
And now that your rose is in bloom
A light hits the gloom on the grey

Ba-ya-ya, ba-da, ba-da-da-da, ba-ba-ya-ya
Ba-ya-ya, ba-da, ba-da-da-da, ba-ba-ya-ya

There is so much a man can tell you, so much he can say
You remain my power, my pleasure, my pain, baby
To me, you're like a growing addiction that I can't deny
Won't you tell me, is that healthy, baby?

But did you know that when it snows
My eyes become large and
The light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the grey
Ooh, the more I get of you, the stranger it feels, yeah (yeah)
Now that your rose is in bloom
A light hits the gloom on the grey

I've been kissed by a rose on the grey
I, I've been kissed by a rose on the grey
I've been kissed by a rose on the grey (and if I should fall, would it all
go away?)
I, I've been kissed by a rose on the grey

There is so much a man can tell you, so much he can say
You remain my power, my pleasure, my pain
To me, you're like a growing addiction that I can't deny (yeah)
Now, won't you tell me, is that healthy, baby?

But did you know that when it snows
My eyes become large and
The light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the grey
Ooh, the more I get of you, the stranger it feels, yeah
Now that your rose is in bloom
A light hits the gloom on the grey

Yes, I compare you to a kiss from a rose on the grey
Ooh, the more I get of you, the stranger it feels, yeah (yeah)
And now that your rose is in bloom
A light hits the gloom on the grey

Ba-ya-ya, ba-da, ba-da-da-da, ba-ba-ya-ya

Now that your rose is in bloom
A light hits the gloom on the grey

125. Rosanne

Nick & Simon

Rosanne, ik weet dat er heel veel mannen zijn
Elke keer weer een ander en mij doet het pijn
Want jou liefde waarmee jij mij soms verblijdt
Wil ik liever liever liever, liever voor altijd
Als ik dacht dat ik je had dan had jij je weer bedacht
Onvoorspelbaar en zo onverwacht
Ik keek maar toe hoe jij mij in verwarring bracht
Ik wil zekerheid dat ik bij jou ben vannacht
Oh oh oh

Rosanne ik weet dat er heel veel mannen zijn
Elke keer weer een ander en mij doet het pijn
Want jou liefde waarmee jij mij soms verblijdt
Wil ik liever liever liever, liever voor altijd
Jij kan je rust niet vinden jouw geest is veel te vrij
Jij bent morgen weer anders dan vandaag
Jij wilt je nog niet binden maar dat hoeft ook niet van mij
Ik wil gewoon die zoen het is al dat ik vraag
Oh oh oh

Rosanne ik weet dat er heel veel mannen zijn
Elke keer weer een ander en mij doet het pijn
Want jou liefde waarmee jij mij soms verblijdt
Wil ik liever liever liever, liever voor altijd
Weet wel dat ik hier op je wachten zal
Tot je eindelijk je rust vindt bij mij
Oh oh oh

Rosanne ik weet dat er heel veel mannen zijn
Elke keer weer een ander en mij doet het pijn
Want jou liefde waarmee jij mij soms verblijdt
Wil ik liever liever liever, liever voor altijd
Wil ik liever liever liever, liever voor altijd
Wil ik liever liever liever, liever voor altijd

126. Lookin' Out My Backdoor

Creedence Clearwater Revival

Just got home from Illinois, lock the front door, oh boy!
Got to sit down, take a rest on the porch
Imagination sets in, pretty soon I'm singin'
Doo, doo, doo, lookin' out my back door

There's a giant doin' cartwheels, a statue wearin' high heels
Look at all the happy creatures dancin' on the lawn
Dinosaur Victrola, listenin' to Buck Owens
Doo, doo, doo, lookin' out my back door

Tambourines and elephants are playin' in the band
Won't you take a ride on the flyin' spoon? Dood-n-doo-doo
Wonderous apparition provided by magician
Doo, doo, doo, lookin' out my back door

Tambourines and elephants are playin' in the band
Won't you take a ride on the flyin' spoon? Dood-n-doo-doo
Bother me tomorrow, today I'll buy no sorrows
Doo, doo, doo, lookin' out my back door

Forward troubles Illinois, lock the front door, oh boy!
Look at all the happy creatures dancin' on the lawn
Bother me tomorrow, today I'll buy no sorrows
Doo, doo, doo, lookin' out my back door

127. Hallelujah

Lisa Lois

I heard there was a secret chord,
That David played and it pleased the lord,
But you don't really care for music, do ya?
Well it goes like this the fourth the fifth,
The minor fall and the major lift,
The baffled king composing hallelujah,

Hallelujah, Hallelujah,
Hallelujah, Hallelujah,

Your faith was strong but you needed proof,
You saw her bathing on the roof,
Her beauty and the moonlight overthrew ya,
She tied you to her kitchen chair,
She broke your throne and she cut your hair,
And from your lips she drew the hallelujah,

Hallelujah, Hallelujah,
Hallelujah, Hallelujah,

Maybe there's a god above,
But all I've ever learned from love,
Is how to shoot somebody who outdrew ya,
And it's not a cry that you hear at night,
It's not someone who has seen the light,
It's a cold and it's a broken hallelujah,

Hallelujah, Hallelujah,
Hallelujah, Hallelujah,
Hallelujah, Hallelujah,
Hallelujah, Hallelujah,

Hallelujah, Hallelujah.

128. Love Of My Life

Queen

Love of my life, you've hurt me
You've broken my heart, and now you leave me
Love of my life, can't you see?
Bring it back, bring it back
Don't take it away from me
Because you don't know
What it means to me

Love of my life, don't leave me
You've taken my love, and now desert me
Love of my life, can't you see?
Bring it back, bring it back
Don't take it away from me
Because you don't know
What it means to me

You will remember
When this is blown over
And everything's all by the way
When I grow older
I will be there at your side to remind you
How I still love you
(I still love you)

Back, hurry back
Please, bring it back home to me
Because you don't know
What it means to me

Love of my life
Love of my life
Ooh, ooh

129. We Will Rock You

Queen

Buddy, you're a boy, make a big noise
Playing in the street, gonna be a big man someday
You got mud on your face, you big disgrace
Kicking your can all over the place, singin'

We will, we will rock you
We will, we will rock you

Buddy, you're a young man, hard man
Shouting in the street, gonna take on the world someday
You got blood on your face, you big disgrace
Waving your banner all over the place

We will, we will rock you
Sing it out
We will, we will rock you

Buddy, you're an old man, poor man
Pleading with your eyes, gonna make you some peace someday
You got mud on your face, big disgrace
Somebody better put you back into your place

We will, we will rock you
Sing it
We will, we will rock you
Everybody
We will, we will rock you
Hmm
We will, we will rock you
Alright

130. I'm Still Standing

Elton John

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win
Well look at me, I'm coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing you just fade away

Don't you know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah

Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus you'd be a clown by now

You know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind
I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah

Don't you know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind

[[I'm still standing yeah yeah yeah]] 4x

131. Rockin' All Over The World

Status Quo

Oh here we are and here we are and here we go
All aboard and we're hittin' the road
Here we go
Rockin' all over the world

And gidy up and gidy up and get away
We're goin' crazy and we're goin' today
Here we go
Rockin' all over the world

And I like it, I like it, I like it, I like it
I li-li-li-like it, li-li-li-like it
Here we go
Rockin' all over the world

We're gonna tell your mama what you're gonna do
Come on out with your dancing shoes
Here we go
Rockin' all over the world

132. What a wonderful world

Louis armstrong

I see trees of green
Red roses too
I see them bloom
For me and for you
And I think to myself
What a wonderful world

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by

I see friends shaking hands
Saying, "How do you do?"
They're really saying
"I love you"

I hear babies cry
I watch them grow
They'll learn much more
Than I'll ever know
And I think to myself
What a wonderful world

Yes, I think to myself
What a wonderful world

Ooh yeah

133. House of the rising sun

The Animals

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many poor boys
And God, I know I'm one

My mother was a tailor
She sewed my new blue jeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and trunk
And the only time he's satisfied
Is when he's on a trump

Oh, mother, tell your children
Not to do what I have done
Spend your lives in sin and misery
In the house of the rising sun

Well, I got one foot on the platform
The other foot on the train
I'm goin' back to New Orleans
To wear that ball and chain

Well, there is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boys
And God, I know I'm one

134. Fame

Irene Cara

Baby, look at me and tell me what you see
You ain't seen the best of me yet
Give me time, I'll make you forget the rest
I got more in me and you can set it free
I can catch the moon in my hand
Don't you know who I am?
Remember my name

(Fame)
I'm gonna live forever
I'm gonna learn how to fly
(High)
I feel it coming together
People will see me and cry

(Fame)
I'm gonna make it to heaven
Light up the sky like a flame
(Fame)
I'm gonna live forever
Baby, remember my name
(Remember, remember, remember, remember)
(Remember, remember, remember, remember)

Baby, hold me tight, 'cause you can make it right
You can shoot me straight to the top
Give me love and take all I got to give
Baby I'll be tough, too much is not enough, no
I can ride your heart 'til it breaks
Oh, I got what it takes

(Fame)

I'm gonna live forever

I'm gonna learn how to fly

(High)

I feel it coming together

People will see me and cry

(Fame)

I'm gonna make it to heaven

Light up the sky like a flame

(Fame)

I'm gonna live forever

Baby, remember my name

(Remember, remember, remember, remember)

(Remember, remember, remember)

(Fame)

I'm gonna live forever

I'm gonna learn how to fly

(High)

I feel it coming together

People will see me and cry

(Fame)

I'm gonna make it to heaven

Light up the sky like a flame

(Fame)

I'm gonna live forever

Baby, remember my name

(Remember, remember, remember, remember)

(Remember, remember, remember, remember)

Remember my name

(Fame)
I'm gonna live forever
(Fame)
I'm gonna learn how to fly
(High)
I feel it coming together
(Fame)
People will see me and cry
(Remember my name)

(Fame)
I'm gonna make it to heaven
(Fame)
Light up the sky like a flame

135. Verdammt Ich lieb' dich

Matthias Reim

Ich ziehe durch die Straßen bis nach Mitternacht
Hab das früher auch gern gemacht
Dich brauch' ich dafür nicht

Ich sitz am Tresen, trinke noch 'n Bier
Früher war'n wir oft gemeinsam hier
Das macht mir, macht mir nichts

Gegenüber sitzt 'n Typ wie 'n Bär
Ich stell mir vor, wenn das dein neuer wär
Das juckt mich überhaupt nicht

Auf einmal packt's mich, ich geh auf ihn zu
Und mach ihn an: "Lass meine Frau in Ruh"
Er fragt nur: "Hast du 'n Stich?"
Und ich denke schon wieder nur an dich

Verdammt, ich lieb dich
Ich lieb dich nicht
Verdammt, ich brauch dich
Ich brauch dich nicht
Verdammt, ich will dich
Ich will dich nicht
Ich will dich nicht verlier'n

Verdammt, ich lieb dich
Ich lieb dich nicht
Verdammt, ich brauch dich
Ich brauch dich nicht
Verdammt, ich will dich
Ich will dich nicht
Ich will dich nicht verlier'n

So langsam fällt mir alles wieder ein
Ich wollt' doch nur 'n bisschen freier sein
Jetzt bin ich's, oder nicht?

Ich passte nicht in deine heile Welt
Doch die und du, ist, was mir jetzt so fehlt
Ich glaub' das einfach nicht (einfach nicht)

Gegenüber steht ein Telefon
Es lacht mich ständig an voll Hohn
Es klingelt, klingelt aber nicht

Sieben Bier, zu viel geraucht
Das ist es, was ein Mann so braucht
Doch niemand, niemand sagt: "Hör auf"
Und ich denke schon wieder nur an dich

Verdammt, ich lieb dich
Ich lieb dich nicht
Verdammt, ich brauch dich
Ich brauch dich nicht
Verdammt, ich will dich
Ich will dich nicht
Ich will dich nicht verlier'n, oh-woah

Verdammt, ich lieb dich
Ich lieb dich nicht (und will dich nicht verlier'n)
Verdammt, ich brauch dich
Ich brauch dich nicht
Verdammt, ich will dich
Ich will dich nicht
Ich will dich nicht verlier'n, oh-woah, ehe-ey

Verdammt, ich lieb dich
Ich lieb dich nicht
Verdammt, ich brauch dich
Ich brauch dich nicht
Verdammt, ich will dich

Teksten Koor Geen Gehoor Emmen, deel 4

Ich will dich nicht

Ich will dich nicht verlier'n, oh-woahohohoh

Ich will dich nicht verlier'n (verdammt, ich lieb dich, ich lieb dich nicht)

Ich will dich nicht verlier'n (verdammt, ich brauch dich, ich brauch dich nicht)

Ich will dich nicht verlier'n, -lier'n, -lier'n, -lier'n, -lier'n (verdammt, ich will dich, ich will dich nicht)

Ich will dich nicht verlier'n, ohohohoh

Ich will dich nicht verlier'n

136. Total eclipse of the heart

Bonny Tyler

Turnaround...

Every now and then I get a little bit lonely,
and you're never coming round...

Turnaround...

Every now and then I get a little bit tired,
of listening to the sound of my tears...

Turnaround...

Every now and then I get a little bit nervous,
that the best of all the years have gone by...

Turnaround...

Every now and then I get a little bit terrified,
and then I see the look in your eyes...

Turnaround, bright eyes

Every now and then I fall apart

Turnaround, bright eyes

Every now and then I fall apart

Turnaround...

Every now and then I get a little bit breathless,
and I dream of something wild...

Turnaround...

Every now and then I get a little bit helpless,
and I'm lying like a child in your arms...

Turnaround...

Every now and then I get a little bit angry,
and I know i've got to get out AND CRY

Turnaround...

Every now and then I get a little bit terrified,
but then I see the look in your eyes...

Turnaround, bright eyes

Every now and then I fall apart

Turnaround, bright eyes

Every now and then I fall apart

And I need you now tonight,
And I need you more than ever,
And if you only hold me tight
We'll be holding on forever,
And we'll only be making it right,
'Cause we'll never be wrong...
Together we can take it to the end of the line
Your love is like a shadow on me all of the time...
I don't know what to do and
I'm always in the dark
We're living in a powder keg
And giving off sparks!!!
I really need you tonight!!
Forever's gonna to start tonight
Forever's gonna to start tonight

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart

Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

Turnaround, bright eyes
Every now and then I fall apart
Turnaround, bright eyes
Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong

Together we can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do
I'm always in the dark
We're living in a powder keg
And giving off sparks
I really need you tonight!
Forever's gonna to start tonight
Forever's gonna to start tonight

Once upon a time I was falling in love
But now I'm only falling apart
Nothing I can say
A total eclipse of the heart
A total eclipse of the heart
A total eclipse of the heart

...Turnaround bright eyes

137. Don't Go Breaking My Heart

Elton John

Don't go breaking my heart
I couldn't if I tried
Honey, if I get restless
Baby, you're not that kind

Don't go breaking my heart
You take the weight off me
Oh, honey, when you knock on
my door
Ooh, I gave you my key

Ooh-hoo, nobody knows it
When I was down
I was your clown
Ooh-hoo, nobody knows it,
nobody knows
Right from the start
I gave you my heart
Oh oh, I gave you my heart

So don't go breaking my heart
I won't go breaking your heart
Don't go breaking my heart

And nobody told us
'Cause nobody showed us
And now it's up to us, babe
Whoa, I think we can make it

So don't misunderstand me
You put the light in my life
Oh, you put the spark to the
flame
I've got your heart in my sights

Ooh-hoo, nobody knows it
When I was down
I was your clown
Ooh-hoo, nobody knows it,
nobody knows
Right from the start
I gave you my heart
Oh oh, I gave you my heart

Don't go breaking my heart
I won't go breaking your heart
Don't go breaking my heart

Ooh-hoo, nobody knows it
When I was down
I was your clown
Right from the start
I gave you my heart
Oh oh, I gave you my heart

Don't go breaking my heart
I won't go breaking your heart
(Don't go breaking my)
(Don't go breaking my)
Don't go breaking my heart
(Don't go breaking my)
(Don't go breaking my)
I won't go breaking your heart

138. Theme from New York, New York

Frank Sinatra

Start spreadin' the news
I'm leavin' today
I want to be a part of it

New York, New York

These vagabond shoes
Are longing to stray
Right through the very heart of it
New York, New York

I want to wake up
In a city that doesn't sleep
And find I'm king of the hill
Top of the heap

These little-town blues
Are melting away
I'll make a brand new start of it
In old New York

If I can make it there
I'll make it
Anywhere
It's up to you
New York, New York

New York, New York
I want to wake up in a city
That never sleeps

And find I'm A number one
Top of the list
King of the hill

A number one

These little town blues
Are melting away
I'm gonna make a brand new
start of it
In old New York

And if I can make it there
I'm gonna make it anywhere
It's up to you
New York, New York

New York

139. Oceaan

Racoon

Er is verrekke veel te zeggen
En te liegen nog veel meer
Heel veel bagger bloot te leggen
Al doet het graven nog zo'n zeer
Ik ben een eikel maar ik leer

Laat die ander nu maar
kruipen
Een oceaan
Vol tranen is van mij

Alleen van mij

Een oceaan om in te vluchten
Nooit jaloers te hoeven zijn
Liefde om je hart te luchten
Een oceaan
Hoe lekker zou het zijn

Was er iets waar ik om wenste
Voordat de put droog kwam te staan
Dan was het lang zullen ze leven
Familie waar ik veel van hou
En voor wie ik sterven zou

Een oceaan om in te schuilen
Nooit alleen meer hoeven zijn
Ik heb gesmeekt niet meer te huilen
Alsjeblieft
Het leven jaagt geen angst meer aan
Ik heb al zo ver moeten kruipen
Het laatste stuk zal ook wel gaan
Tot ik ga staan

Een oceaan om in te vluchten
Nooit jaloers te hoeven zijn
Liefde om je hart te luchten
Een oceaan
Alleen van mij
Een oceaan om te verzuipen
Een dag of wat een held te zijn
