56. The Logical Song
57. Ain't No Sunshine
58. I'm a Believer
59. The Sound of Silence
60. Paradise by the Dashboard Light

31. This World Is Our Home

Douwe Bob

All right

Boots on the ground, heart in the sky
I'm living life not asking why
Wasn't raised on open fields
Or underneath the big blue skies
Haven't seen the world from every side
But I've felt the rain, I've felt the tide

Don't feel the urge to break away
From what I know and who I've got
Some people spend their lifetime
Waiting from a sign from up above
And I found my purpose being with the people
The people that I love

Staring at the stars in the sky tonight
I'm at a place where I belong
Never felt so much alive
And we shout out: this world's our home
I can feel it in the air tonight
I'm at a place where I belong
My heart is open wide
And we shout out: this world's our home
This world's our home
This world's our home

We all try our best to tell a story people wanna hear
Then you realize that silence is a sound you truly fear
And every scar that has been made
Won't fade in poetry and beer

Staring at the stars in the sky tonight
I'm at a place where I belong
Never felt so much alive
And we shout out: this world's our home

I can feel it in the air tonight
I'm at a place where I belong
My heart is open wide
And we shout out: this world's our home
Oh, this world's our home
Yeah, this world's our home

Feel the sun, feel the rain, touch the grass (Whoa)
This world's our home
See the stars, see the moon, kiss the sky

Staring at the stars in the sky tonight
I'm at a place where I belong
Never felt so much alive
And we shout out: this world's our home
I can feel it in the air tonight
I'm at a place where I belong
My heart is open wide
And we shout out: this world's our home

Oh, this world's our home
This world's our home

Feel the sun, feel the rain, touch the grass (Whoa, whoa)
This world's our home
See the stars, see the moon, kiss the sky (Yeah)
This world's our home

32. Als ik boven op de dom kom

Rijk de Gooyer

As ik boven op de Dom kom
Kijk ik even naar benee
Dan zie ik 't ouwe grachie
't Vreeburg en wijk C
Ja dan spring mijn hartsie open
Ik ben trots wat dach-ie wat
D'r is geen mooier plekkie
As Utrech mijn stad
As Utrech mijn stad

Ze zingen in ons landsjie
Bij ons in de Jordaan
Van dat gaat naar Den Bosch
toe
En we gane naar de Zaan
Maar 't mooiste wordt vergeten
Dat is toch zeker schand
D'r is nog zo iets as Utrech
In 't hartsie van ons land

As ik boven op de Dom kom
Kijk ik even naar benee
Dan zie ik 't ouwe grachie
't Vreeburg en wijk C
Ja dan spring mijn hartsie open
Ik ben trots wat dach-ie wat
D'r is geen mooier plekkie
As Utrech mijn stad
As Utrech mijn stad

Kom op 't station es kijken
't Barst er van de rails
We hebben de hoogste toren
Heus dat is iets krimineels

Dan hei je nog de Jaarbeurs
De Munt de Kromme Rijn
En voor de mooiste grietsjies
Moet je ook in Utrech zijn

As ik boven op de Dom kom
Kijk ik even naar benee
Dan zie ik 't ouwe grachie
't Vreeburg en wijk C
Ja dan spring mijn hartsie open
Ik ben trots wat dach-ie wat
D'r is geen mooier plekkie
As Utrech mijn stad
As Utrech mijn stad

Ja dan spring mijn hartsie open
Ik ben trots wat dach-ie wat
D'r is geen mooier plekkie
As Utrech mijn stad
As Utrech mijn stad

33. Freedom! '90

George Michael

I won't let you down, I will not give you up
Gotta have some faith in the sound
It's the one good thing that I've got
I won't let you down, so please don't give me up
Cause I would really, really love to stick around, oh yeah

Heaven knows I was just a young boy
Didn't know what I wanted to be
I was every little hungry schoolgirl's pride and joy
And I guess it was enough for me
To win the race, a prettier face
Brand new clothes and a big fat place
On your rock and roll TV
But today the way I play the game is not the same, no way
Think I'm gonna get me some happy

I think there's something you should know
I think it's time I told you so
There's something deep inside of me
There's someone else I've got to be
Take back your picture in a frame
Take back your singing in the rain
I just hope you understand
Sometimes the clothes do not make the man

All we have to do now
Is take these lies and make them true somehow
All we have to see
Is that I don't belong to you, and you don't belong to me

Freedom, I want let you down
Freedom, I will not give you up
Freedom, you gotta have faith in the sound
Freedom, you've gotta give for what you take

Freedom, I want let you down
Freedom, so please don't give me up
Freedom, cause I would really...
Freedom, you've gotta give for what you take
So stick around

Heaven knows we sure had some fun boy
What a kick just a buddy and me
We had every big shot good-time band on the run boy
We were living in a fantasy

We won the race, got out of the place
I went back home got a brand new face
For the boys on MTV
But today the way I play the game has got to change
Now I'm gonna get myself happy

I think there's something you should know
I think it's time I stopped the show
There's something deep inside of me
There's someone I forgot to be
Take back your picture in a frame
Don't think that I'll be back again
I just hope you understand
Sometimes the clothes do not make the man

All we have to do now
Is take these lies and make them true somehow
All we have to see
Is that I don't belong to you, and you don't belong to me

Freedom, I want let you down
Freedom, I will not give you up
Freedom, you gotta have some faith in the sound
Freedom, you've gotta give for what you take

Freedom, I want let you down
Freedom, so please don't give me up
Freedom, cause I would really...
Freedom, you've gotta give for what you take

So stick around, stick around

Well, it looks like the road to heaven
But it feels like the road to hell
When I knew which side my bread was buttered
I took the knife as well
Posing for another picture, everybody's got to sell
But when you shake your ass, they notice fast
And some mistakes were built to last

That's what you get, that's what you get
That's what you get, I say that's what you get
That's what you get for changing your mind
That's what you get for changing your mind

That's what you get
That's what you get
And after all this time
I just hope you understand
Sometimes the clothes do not make the man

All we have to do now
Is take these lies and make them true somehow
All we have to see
Is that I don't belong to you, and you don't belong to me

Freedom, freedom, my freedom
You've gotta give for what you take
Freedom, hold on to my freedom, my freedom
You've gotta give for what you take

May not be what you want from me
Just the way it's got to be
Lose the face now, I've got to live
I've got to live, I've got to live

34. Viva La Vida

Coldplay

I used to rule the world
Seas would rise when I gave the word
Now in the morning, I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listened as the crowd would sing
"Now the old king is dead, long live the king"

One minute I held the key
Next, the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason, I can't explain
Once you'd gone, there was never
Never an honest word
And that was when I ruled the world

It was a wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become

Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh, who would ever want to be king?
I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing

Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason, I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

Hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason, I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

35. Onderweg

Abel

Ik doe de deur dicht
Straten lijken te huilen
Wolken lijken te vluchten
Ik stap de bus in

Mensen lijken te kijken
Maar ik wil ze ontwijken
Voordat ze mij zien

Het is al lang verleden tijd
Dat je mijn verjaardag niet vergat
Je onvoorwaardelijk koos voor mij

Ik zie de velden
Langs me heen gaan huizen
Het is stil achter de ruiten
Wie kan mij zien
In blauw-verlichte treinen
Je hart is zo dichtbij me
Maar het klopt niet

Het is al lang verleden tijd
Je zwarte haren en je lach
Dat je heel de wereld voor mij was
Het zit nog veel te diep in mij
Dat ik mocht delen wat jij had
Je door mijn haren ging en zei

Je kent mijn stem niet
Wie ik ben is wat je nu ziet
Wil je dansen met illusies
In gedachten

Ben je verder dan het heden
Wil je terug naar je verleden
Zegt je dat iets

Het is al lang verleden tijd
Rode wijn op het terras
Dat je heel de wereld voor mij was
Het zit nog veel te diep in mij
Maar ik vergat hoe jij me zag
Dat ik zo anders ben dan jij

Ik loop de straat in
Maar het zal me nooit verwarmen
Omdat het mij niet kan omarmen
Wie zou mij zien
Het liefst zou ik willen schreeuwen
Ik zou oneindig willen schreeuwen
Maar het gaat niet

Jij bent niet alleen van mij
Ik kan de wereld laten zien
Dat het zo beter is misschien
Het is al lang verleden tijd
Dat ik vergat hoe jij me zag
Dat ik zo anders ben dan jij

36. Summer Of '69

Bryan Adams

I got my first real six-string
Bought it at the five and dime
Played it 'til my fingers bled
Was the summer of '69
Me and some guys from school
Had a band and we tried real hard
Jimmy quit and Jody got married
I should've known we'd never get far
Oh, when I look back now
That summer seemed to last forever
And if I had the choice
Yeah, I'd always wanna be there
Those were the best days of my life

Ain't no use in complainin'
When you got a job to do
I spent my evenings down at the drive-in
And that's when I met you, yeah!
Standin' on your mama's porch
You told me that you'd wait forever
Oh, and when you held my hand
I knew that it was now or never
Those were the best days of my life

Oh, yeah
Back in the summer of '69, oh
Man, we were killin' time
We were young and restless
We needed to unwind
I guess nothing can last forever
Forever, no

Yeah

And now the times are changin'
Look at everything that's come and gone
Sometimes when I play that old six-string
I think about you, wonder what went wrong
Standin' on your mama's porch
You told me that it'd last forever
Oh, and when you held my hand
I knew that it was now or never
Those were the best days of my life

Oh, yeah
Back in the summer of '69, uh-huh
It was the summer of '69, oh, yeah
Me and my baby in '69, oh, oh
It was the summer, summer, summer of '69
(Yeah)

37. Blame it on the boogie

The Jackson 5

My baby's always dancin'
And it wouldn't be a bad thing
But I don't get no lovin'
And that's no lie

We spent the night in Frisco
At every kind of disco
From that night I kissed our love goodbye

[[Don't blame it on the sunshine
Don't blame it on the moonlight
Don't blame it on good times
Blame it on the boogie]] **2X**

That nasty boogie bugs me
But somehow it has drugged me
Spellbound rhythm gets me on my feet

I've changed my life completely
I've seen the lightening leave me
My baby just can't take her eyes off me

[[Don't blame it on the sunshine
Don't blame it on the moonlight
Don't blame it on good times
Blame it on the boogie]] **2X**

I just can't
I just can't
I just can't control my feet
I just can't
I just can't
I just can't control my feet

[[Don't blame it on the sunshine
Don't blame it on the moonlight
Don't blame it on good times
Blame it on the boogie]] **2X**

This magic music grooves me
That dirty rhythm moves me
The devil's gotten to me through this dance

I'm full of funky fever
A fire burns inside me
Boogie's got me in a super trance

[[Don't blame it on the sunshine
Don't blame it on the moonlight
Don't blame it on good times
Blame it on the boogie]] **2X**

Sunshine
Moonlight
Good times
Boogie

Sunshine
Moonlight
Good times
Boogie

Don't you blame it
You just got to
You just want to
Yeah
Blame it on yourself
Ain't nobody's fault but yours and that boogie
Dancin' all night long

Yours and that boogie
Ain't nobody's fault but yours
Dancin' all night long

38. Don't Stop Me Now

Queen

Tonight, I'm gonna have myself a real good time
I feel alive and the world I'll turn it inside out, yeah
And floating around in ecstasy
So don't stop me now don't stop me
'Cause I'm having a good time, having a good time

I'm a shooting star, leaping through the sky
Like a tiger defying the laws of gravity
I'm a racing car, passing by like Lady Godiva
I'm gonna go, go, go
There's no stopping me

I'm burnin' through the sky, yeah
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm traveling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time, just give me a call
Don't stop me now ('cause I'm having a good time)
Don't stop me now (yes, I'm havin' a good time)
I don't want to stop at all

Yeah, I'm a rocket ship on my way to Mars
On a collision course
I am a satellite, I'm out of control
I am a sex machine, ready to reload
Like an atom bomb about to
Oh, oh, oh, oh, oh explode

I'm burnin' through the sky, yeah
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm traveling at the speed of light
I wanna make a supersonic woman of you

Don't stop me, don't stop me
Don't stop me, hey, hey, hey
Don't stop me, don't stop me
Ooh ooh ooh, I like it
Don't stop me, don't stop me
Have a good time, good time
Don't stop me, don't stop me, ah
Oh yeah
Alright

Oh, I'm burnin' through the sky, yeah
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm traveling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now, I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time (wooh)
Just give me a call (alright)
Don't stop me now ('cause I'm having a good time, yeah yeah)
Don't stop me now (yes, I'm havin' a good time)
I don't want to stop at all

La da da da daah, da da da haa
Ha da da ha ha haaa
Ha da daa ha da da aaa
Ooh ooh ooh

39. Take It Easy

The Eagles

Well, I'm running down the road
Tryin' to loosen my load
I've got seven women on my mind

Four that wanna own me
Two that wanna stone me
One says she's a friend of mine

Take it easy
Take it easy
Don't let the sound of your own wheels
Drive you crazy

Lighten up while you still can
Don't even try to understand
Just find a place to make your stand
And take it easy

Well, I'm standing on a corner
In Winslow, Arizona
And such a fine sight to see
It's a girl, my Lord, in a flatbed Ford
Slowin' down to take a look at me
Come on, baby, don't say maybe
I gotta know if your sweet love
Is gonna save me

We may lose, and we may win
Though we will never be here again
So open up, I'm climbin' in
So take it easy

Well, I'm running down the road
Trying to loosen my load
Got a world of trouble on my mind
Lookin' for a lover
Who won't blow my cover
She's so hard to find

Take it easy
Take it easy
Don't let the sound of your own wheels
Make you crazy

Come on, baby, don't say maybe
I gotta know if your sweet love
Is gonna save me

Oh, we got it easy
We oughta take it easy

40. Love me just a little bit more

Dolly dots

Give me love, don't take it away from me
'Cause you and I can live in perfect harmony
Oh baby, oh baby, don't take it away from me
I am tired of living all by myself
Reach out for live don't leave it laying on the shelf
Oh baby, oh baby, don't take it away from me

Love me, need me
Love me just a little bit more
Take me, hold me
Love me like you loved me before
Call me and I'll be knocking on your door
So love me just a little
Love me just a little bit more

Take my hand and I will lead the way
To find the road which led us to our dream that day
Oh baby, oh baby, please let me lead the way
Stay around, don't turn your back on me
Before we know it all will be a memory
Oh baby, oh baby, don't turn your back on me

Love me, need me
Love me just a little bit more
Take me, hold me
Love me like you loved me before
Call me and I'll be knocking on your door
So love me just a little
Love me just a little bit more

I have tried to live without you
I have tried to get away from you
But what could I do
It's not easy to
Keep on fighting like this

It's you that I miss
I'm totally hooked on you

Love me, need me
Love me just a little bit more
Take me, hold me
Love me like you loved me before

love me, me need me whohoa
Take me hold me whohoa
love me, me need me whohoa
Take me hold me whohoa
love me, me need me whohoa
Take me hold me whohoa

41. Losing My Religion

R.E.M.

Oh, life is bigger
It's bigger
Than you and you are not me
The lengths that I will go to
The distance in your eyes
Oh no, I've said too much
I set it up

That's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no, I've said too much
I haven't said enough

I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

Every whisper
Of every waking hour
I'm choosing my confessions
Trying to keep an eye on you
Like a hurt lost and blinded fool, fool
Oh no, I've said too much
I set it up

Consider this
Consider this
The hint of the century
Consider this
The slip that brought me
To my knees failed
What if all these fantasies

Come flailing around
Now I've said too much

I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

But that was just a dream
That was just a dream

That's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no, I've said too much
I haven't said enough

I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

But that was just a dream
Try, cry

Why try?
That was just a dream, just a dream, just a dream
Dream

42. Wake Me Up Before You Go-Go Wham!

Jitterbug
Jitterbug
Jitterbug
Jitterbug

You put the boom-boom into my heart (ooh-ooh)
You send my soul sky-high
When your lovin' starts
Jitterbug into my brain (yeah-yeah)
Goes a bang-bang-bang
'Til my feet do the same

But something's bugging me
Something ain't right
My best friend told me
What you did last night
You left me sleeping in my bed
I was dreaming
But I should've been with you instead

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high
Wake me up before you go-go
'Cause I'm not planning on going solo
Wake me up before you go-go, ah
Take me dancing tonight
I wanna hit that high, yeah, yeah

You take the grey skies outta my way (ooh-ooh)
You make the sun shine brighter than Doris Day
You turned a bright spark into a flame (yeah-yeah)
My beats per minute never been the same

'Cause you're my lady
I'm your fool
It makes me crazy when you act so cruel
Come on, baby
Let's not fight
We'll go dancing
Everything will be alright

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high
Wake me up before you go-go
'Cause I'm not planning on going solo
Wake me up before you go-go, ah
Take me dancing tonight
I wanna hit that high, yeah, yeah, yeah, baby

Jitterbug
Jitterbug

Cuddle up, baby
Move in tight
We'll go dancing tomorrow night
It's cold out there
But it's warm in bed
They can dance
We'll stay home instead

Jitterbug

[Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high
Wake me up before you go-go
'Cause I'm not planning on going solo
Wake me up before you go-go, ah
Take me dancing tonight **]** **2X**

43. Billie Jean

Michael Jackson

She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean, I am the one
Who will dance on the floor in the round
She said I am the one, who will dance on the floor in the round

She told me her name was Billie Jean, as she caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round

People always told me be careful of what you do
And don't go around breaking young girls' hearts
And mother always told me be careful of who you love
And be careful of what you do 'cause the lie becomes the truth

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

For forty days and forty nights
The law was on her side
But who can stand when she's in demand
Her schemes and plans
'Cause we danced on the floor in the round
So take my strong advice, just remember to always think twice
(Don't think twice, don't think twice)

She told my baby we'd danced till three, then she looked at me
Then showed a photo my baby cried his eyes were like mine (oh,
no!)
'Cause we danced on the floor in the round, baby

People always told me be careful of what you do
And don't go around breaking young girls' hearts
She came and stood right by me
Just the smell of sweet perfume
This happened much too soon
She called me to her room

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
She says I am the one, but the kid is not my son
Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
She says I am the one,
(You know what you did, (she says he is my son)breaking my heart
babe)
She says I am the one
Billie Jean is not my lover
Billie Jean is not my lover
Billie Jean is not my lover
Billie Jean is not my lover (don't Billie Jean)
Billie Jean is not my lover
Billie Jean is not my lover

44. 9 to 5

Dolly Parton

Tumble out of bed
And stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to life

Jump in the shower
And the blood starts pumpin'
Out on the streets, the traffic starts jumpin'
For folks like me on the job from 9 to 5

Workin' 9 to 5
What a way to make a livin'
Barely gettin' by
It's all takin' and no givin'

They just use your mind
And they never give you credit
It's enough to drive you
Crazy if you let it

9 to 5
For service and devotion
You would think that I
Would deserve a fat promotion

Want to move ahead
But the boss won't seem to let me
I swear sometimes that man is
Out to get me, hmmm

They let you dream
Just a watch 'em shatter
You're just a step on the boss man's ladder
But you got dreams he'll never take away

In the same boat with a lot of your friends
Waitin' for the day your ship'll come in
And the tide's gonna turn
And it's all gonna roll you away

[[Workin' 9 to 5
What a way to make livin'
Barely gettin' by
It's all takin' and no givin'

They just use your mind
And you never get the credit
It's enough to drive you
Crazy if you let it

9 to 5
Yeah, they got you were they want you
There's a better life
And you think about it, don't you?

It's a rich man's game
No matter what they call it
And you spend your life
Putting money in his wallet **]] 2x**

45. Another Love

Tom Odell

I wanna take you somewhere so you know I care
But it's so cold, and I don't know where
I brought you daffodils in a pretty string
But they won't flower like they did last spring

And I wanna kiss you, make you feel alright
I'm just so tired to share my nights
I wanna cry and I wanna love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up

Oh, ooh

And if somebody hurts you, I wanna fight
But my hands been broken, one too many times
So I'll use my voice, I'll be so fucking rude
Words, they always win, but I know I'll lose

And I'd sing a song, that'd be just ours
But I sang 'em all to another heart
And I wanna cry I wanna learn to love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
Oh, oh, oh

(Oh, need a love, now, my heart is thinking of)
I wanna sing a song, that'd be just ours
But I sang 'em all to another heart
And I wanna cry, I wanna fall in love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
Oh, oh

46. Hey Jude

The Beatles

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And any time you feel the pain
Hey Jude, refrain
Don't carry the world upon your shoulder
For, well, you know that it's a fool
Who plays it cool
By making his world a little colder

Na, na, na, na-na, na, na, na-na

Hey Jude, don't let me down
You have found her, now go and get her (let it out and let it in)
Remember (hey Jude) to let her into your heart
Then you can start to make it better

So let it out and let it in, hey Jude, begin,
You're waiting for someone to perform with
And don't you know that it's just you, hey Jude, you'll do,
The movement you need is on your shoulder

Na, na, na, na-na-na-na

Hey Jude, don't make it bad.
Take a sad song and make it better.
Remember to let her under your skin,
Then you'll begin to make it
Better better better better better better, oh.

Na, na, na, na-na-na-na
Na-na-na-na, hey Jude
Na, na, na, na-na-na-na
Na-na-na-na, hey Jude

Na, na, na, na-na-na-na
Na-na-na-na, hey Jude (Jude)
Na, na, na, na-na-na-na
Na-na-na-na, hey Jude
(Yeah, you know you can make)
(Jude, Jude, you're not gonna break it)

Na, na, na, na-na-na-na (don't make it bad, Jude)
(Take a sad song and make it better) na-na-na-na, hey Jude
(Hey Jude, Jude, hey Jude, wow!)

Na, na, na, na-na-na-na (ooh, Jude)

Na-na-na-na, hey Jude (hey Jude)
Na, na, na, na-na-na-na

Na-na-na-na, hey Jude
Na, na, na, na-na-na-na
Na-na-na-na, hey Jude
Na, na, na, na-na-na-na
Na-na-na-na.....

(Heel lang herhalen... Met een beetje geluk zorgt de dirigent voor een *fade-out*, anders zitten jullie hier morgen nog.)

47. I Will Survive

Gloria Gaynor

First, I was afraid, I was petrified
Kept thinking, I could never live, without you by my side
But then I spent so many nights thinking, how you did me wrong
And I grew strong and I learned how to get along

And so you're back, from outer space
I just walked in to find you here
With that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I'd a known for just one second
You'd be back to bother me

Woah now go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did you think I'd crumble? Did you think I'd lay down and die?

No, not I, I will survive
Oh as long as I know how to love, I know I'll stay alive
I've got all my life to live and I've got all my love to give
And I'll survive, I will survive (hey, hey)

It took all the strength I had not to fall apart
Just trying hard to mend the pieces of my broken heart
And I spent oh so many nights just feeling sorry for myself
I used to cry, but now I hold my head up high

And you see me, somebody new
I'm not that chained up little person still in love with you
And so you felt like dropping in, and just expect me to be free
But now I'm saving all my loving for someone who's loving me

Go on now go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Did you think I'd crumble, did you think I'd lay down and die?

Oh no, not I, I will survive
Oh as long as I know how to love, I know I'll stay alive
I've got all my life to live and I've got all my love to give
And I'll survive, I will survive (oh)

Go on now go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Did you think I'd crumble? Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh as long as I know how to love, I know I'll stay alive
I've got my life to live and I've got all my love to give
And I'll survive, I will survive
I will survive

48. Ik leef niet meer voor jou

Marco Borsato

Ik leef niet meer voor jou
Voorbij zijn alle jaren
Waar in ik heb geloofd
Dat wij gelukkig waren
En nu het leven weer van mij is
Mijn hart sinds lange tijd weer vrij is
Ben ik zo blij dat het voorbij is, oh oh

Ik leef niet meer voor jou
Je hoeft niet te proberen
Om hier te blijven staan
En mij te domineren
Ik heb teveel moeten verduren
Ik heb genoeg van al je kuren
Dus is het tijd je weg te sturen
Oh oh oh oh oh
Ik leef niet meer voor jou

Ik leef niet meer voor jou
Voorbij zijn alle nachten
Dat ik hier heel alleen
Op jou heb zitten wachten
Je hebt me keihard voorgelogen
Besodemieterd en bedrogen
Dus droog de tranen in je ogen
Ik leef niet meer voor jou

Je hebt me keihard voorgelogen
Besodemieterd en bedrogen
Dus droog de tranen in je ogen
Ik leef niet meer voor jou

Dus donder nou maar op
Ik kan er niet meer tegen
En als je weg wilt gaan
Is dat alleen een zegen

Te vaak heb jij mij laten zakken
Ik heb genoeg van al je makken
Je moet gewoon je spullen pakken
Ah ah ah nee
Ik leef niet meer voor jou

'T is voorbij
Ja voorbij
Voor jou
Voor mij
'T is voorbij

49. Everytime I Think Of You

Babys

Everytime I think of you, it always turns out good
Everytime I've held you, I thought you understood
People say a love like ours will surely pass
But I know a love like ours will last and last

But maybe I was wrong
Not knowing how our love should go
(How our love, how our love should go)
But I wasn't wrong in knowing how our love would grow
(How our love, how our love would grow)
(And everytime I think of you) Everytime
(Everytime I think of you) Every single time
(It always turns out good)

Seasons come and seasons go, but our love will never die
Let me hold you darlin' so you won't cry
Cause people say that our love affair will never last
But we know a love like ours will never pass

But maybe I was wrong
Not knowing how our love should go
(How our love, how our love should go)
But I wasn't wrong in knowing how our love would grow
(How our love, how our love would grow)
(And everytime I think of you) Everytime
(Everytime I think of you) Every single time
(It always turns out good)

People say a love like ours will surely pass
But I know a love like ours will last and last

But maybe I was wrong
Not knowing how our love should go
(How our love, how our love should go)
But I wasn't wrong in knowing how our love would grow
(How our love, how our love would grow)
And everytime I think of you, everytime I think of you
Everytime I think of you, it always turns out good
Everytime I think of you, everytime I think of you
Everytime I think of you, everytime I think of you....

50. Hold the line

Toto

It's not in the way that you hold me
it's not in the way you say you care
It's not in the way you've been treating my friends
It's not in the way that you stayed till the end
It's not in the way you look or the things that you say that you'll do

Hold the line, love isn't always on time, whoa, whoa, whoa
Hold the line, love isn't always on time, whoa, whoa, whoa

It's not in the words that you told me, girl
It's not in the way you say you're mine
It's not in the way that you came back to me
It's not in the way that your love set me free
It's not in the way you look or the things that you say that you'll do

Hold the line, love isn't always on time, whoa, whoa, whoa
Hold the line, love isn't always on time, whoa, whoa, whoa

It's not in the words that you told me
It's not in the way you say you're mine
It's not in the way that you came back to me
It's not in the way that your love set me free
It's not in the way you look or the things that you say that you'll do

Hold the line, love isn't always on time whoa, whoa, whoa
Hold the line, love isn't always on the time
Love isn't always on time

Hold the line, love isn't always on time
Love isn't always, love isn't always on time
Hold the line, love isn't always on time
Love isn't always on time
Love isn't always on time
Love isn't always on time whoa, whoa, whoa

51. What A Wonderful World

Louis Armstrong

I see trees of green
Red roses too
I see them bloom
For me and for you
And I think to myself
What a wonderful world

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by

I see friends shaking hands
Saying, "How do you do?"
They're really saying
"I love you"

I hear babies cry
I watch them grow
They'll learn much more
Than I'll ever know
And I think to myself
What a wonderful world

Yes, I think to myself
What a wonderful world

Ooh yeah

52. Sinds 1 dag of 2

Doe Maar

Sinds 1 dag of 2, vlinders in mijn hoofd
Sinds 1 dag of 2, aangenaam verdoofd
'k Was haast vergeten hoe 't voelt om verliefd te zijn
Ik kijk om me heen door een roze bril
Veel te lang alleen, 'k stond een beetje stil
Hoe kon 'k 't weten, m'n wereldje was zo klein
'tis Wel een beetje raar, 32 jaar
Trillend op m'n benen, als ze is verdwenen

**[[ooh la lalala
Ze is, ze is van mij...]]** **4x**

Ooh lalalalal

Mannen bij de vleet, wachtend in een rij
Doet me toch geen reet want ze kijkt naar mij
Liefde, o, liefde, waar was jij toch al die tijd
O, alles wat ze zegt slik ik voor zoete koek
En mijn scherpe blik is ook al dagen zoek
Het kan me niet schelen zolang ze maar met me vrijt
'tis wel een beetje raar, 32 jaar
Trillend op m'n benen als ze is verdwenen
Ze is, ze is van mij...

**[[ooh la lalala
Ze is, ze is van mij...]]** **3x**

Ooh lalalala

**[[ooh la lalala
Ze is, ze is van mij...]]** **7x**

53. California dreamin'

The Mamas & the Papas

All the leaves are brown (all the leaves are brown)
And the sky is grey (and the sky is grey)
I've been for a walk (I've been for a walk)
On a winter's day (on a winter's day)
I'd be safe and warm (I'd be safe and warm)
If I was in L.A. (if I was in L.A.)

California dreamin' (California dreamin')
On such a winter's day

Stopped into a church
I passed along the way
Well, I got down on my knees (got down on my knees)
And I pretend to pray (I pretend to pray)
You know the preacher like the cold (preacher like the cold)
He knows I'm gonna stay (knows I'm gonna stay)

California dreamin' (California dreamin')
On such a winter's day

All the leaves are brown (all the leaves are brown)
And the sky is grey (and the sky is grey)
I've been for a walk (I've been for a walk)
On a winter's day (on a winter's day)
If I didn't tell her (if I didn't tell her)
I could leave today (I could leave today)

California dreamin' (California dreamin')
On such a winter's day (California dreamin')
On such a winter's day (California dreamin')
On such a winter's day

54. Go Your Own Way

Fleetwood Mac

Loving you
Isn't the right thing to do

How can I
Ever change things that I feel
If I could
Baby, I'd give you my world

How can I
When you won't take it from me

(You can go your own way)
Go your own way
You can call it another lonely
day
(You can go your own way)
Go your own way

Tell me why
Everything turned around
Packing up
Shacking up's all you wanna do
If I could
Baby, I'd give you my world
Open up
Everything's waiting for you

(You can go your own way)
Go your own way
You can call it another lonely
day
(You can go your own way)
Go your own way

55. Have You Ever Seen The Rain

Creedence Clearwater Revival

Someone told me long ago
There's a calm before the storm
I know, it's been comin' for some time

When it's over, so they say
It'll rain on a sunny day
I know, shining down like water

I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain
Comin' down on a sunny day?

Yesterday and days before
Sun is cold and rain is hard
I know, been that way for all my time
'Til forever on it goes
Through the circle, fast and slow
I know, it can't stop, I wonder

I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain
Comin' down on a sunny day?

Yeah!

I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain
Comin' down on a sunny day?

56. The Logical Song

Supertramp

When I was young, it seemed that life was so wonderful
A miracle, oh it was beautiful, magical
And all the birds in the trees, well they'd be singing so happily
Oh joyfully, oh playfully watching me
But then they send me away to teach me how to be sensible
Logical, oh responsible, practical
And then they showed me a world where I could be so dependable
Oh clinical, oh intellectual, cynical
There are times when all the world's asleep
The questions run too deep
For such a simple man
Won't you please, please tell me what we've learned
I know it sounds absurd
Please tell me who I am
I said, watch what you say or they'll be calling you a radical
A liberal, oh fanatical, criminal
Won't you sign up your name, we'd like to feel you're acceptable
Respectable, oh presentable, a vegetable!
Oh take it, take it, take it, yeah
But at night, when all the world's asleep
The questions run so deep
For such a simple man
Won't you please (Oh won't you tell me)
Please tell me what we've learned (Can you hear me)
I know it sounds absurd (Oh won't you help me)
Please tell me who I am
Who I am
Who I am
Who I am

'Cause I was feeling so logical
D-d-d-d-d-d-d-digital
One, two, three, five
Oh, oh, oh, oh yeah

Ooh it's getting unbelievable, yeah

57. Ain't No Sunshine

Bill Withers

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
And she's always gone too long
Anytime she's goes away

Wonder this time where she's gone
Wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away

And I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know
Hey, I ought to leave young thing alone
But ain't no sunshine when she's gone, whoa, whoa

Ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's gone
And this house just ain't no home

Anytime she goes away
Anytime she goes away
Anytime she goes away
Anytime she goes away

58. I'm a Believer

The Monkees

I thought love was only true in fairy tales
Meant for someone else but not for me
Love was out to get me
That's the way it seemed
Disappointment haunted all of my dreams

Then I saw her face, now I'm a believer
Not a trace of doubt in my mind
I'm in love
I'm a believer, I couldn't leave her if I tried

I thought love was more or less a giving thing
Seems the more I gave the less I got
What's the use in tryin'
All you get is pain?
When I needed sunshine, I got rain

Then I saw her face, now I'm a believer
Not a trace of doubt in my mind
I'm in love
I'm a believer, I couldn't leave her if I tried

Oh, love was out to get me
Now, that's the way it seemed
Disappointment haunted all of my dreams

Then I saw her face, now I'm a believer
Not a trace of doubt in my mind
I'm in love
I'm a believer, I couldn't leave her if I tried

Yes, I saw her face, now I'm a believer
Not a trace of doubt in my mind
Said, I'm a believer, yeah, yeah, yeah, yeah, yeah, yeah (I'm a believer)
Said, I'm a believer, yeah (I'm a believer)
I said, I'm a believer, yeah (I'm a believer)

59. The Sound of Silence

Simon & Garfunkel

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence
In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
And touched the sound of silence
And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dare
Disturb the sound of silence
"Fools" said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you"
But my words like silent raindrops fell
And echoed
In the wells of silence
And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
And the sign said, "The words of the prophets
Are written on the subway walls
And tenement halls"
And whisper'd in the sounds of silence

60. Paradise by the Dashboard Light Meat Loaf

Well I remember every little thing
As if it happened only yesterday
Parking by the lake and there was not another car in sight
And I never had a girl
Looking any better than you did
And all the kids at school
They were wishing they were me that night
And now our bodies are oh so close and tight
It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon hold on tight
Oh c'mon hold on tight
Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light

Ain't no doubt about it we were doubly blessed
'Cause we were barely seventeen and we were barely dressed
Ain't no doubt about it
Baby got to go and shout it
Ain't no doubt about it
We were doubly blessed

'Cause we were barely seventeen and we were barely dressed
Baby don't you hear my heart
You got it drowning out the radio
I've been waiting so long for you to come along and have some fun
Well I gotta let you know
No you're never gonna regret it
So open up your eyes I got a big surprise
It'll feel all right
Well I want to make your motor run
And now our bodies are oh so close and tight
It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon hold on tight
Oh c'mon hold on tight

Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light
Though it's cold and lonely in the deep dark night
(Deep dark night) paradise by the dashboard light
You got to do what you can
And let mother nature do the rest
Ain't no doubt about it
We were doubly blessed
'Cause we were barely seventeen and we were barely dressed

We're gonna go all the way tonight
We're gonna go all the way and tonight's the night

We're gonna go all the way tonight
We're gonna go all the way and tonight's the night

We're gonna go all the way tonight
We're gonna go all the way and tonight's the night
We're gonna go all the way tonight
We're gonna go all the way and tonight's the night

Okay, here we go, we got a real pressure cooker going here
Two down, nobody on, no score, bottom of the ninth
There's the windup, and there it is
A line shot up the middle, look at him go
This boy can really fly
He's rounding first and really turning it on now
He's not letting up at all
He's gonna try for second, the ball is bobbled out in center
And here comes the throw, and what a throw
He's gonna slide in head first
Here he comes, he's out
No, wait, safe-safe at second base
This kid really makes things happen out there
Batter steps up to the plate, here's the pitch-he's going
And what a jump he's got, he's trying for third
Here's the throw, it's in the dirt-safe at third
Holy cow, stolen base, he's taking a pretty big lead out there
Almost daring him to try and pick him off
The pitcher glances over, winds up, and it's bunted
Bunted down the third base line, the suicide squeeze is on
Here he comes, squeeze play, it's gonna be close, here's the throw,

here's the play at the
Holy cow, I think he's gonna make it

Stop right there
I gotta know right now
Before we go any further
Do you love me?
Will you love me forever?
Do you need me?
Will you never leave me?
Will you make me so happy for the rest of my life?
Will you take me away and will you make me your wife?
Do you love me?
Will you love me forever?
Do you need me?
Will you never leave me?
Will you make me so happy for the rest of my life?
Will you take me away and will you make me your wife?
I gotta know right now
Before we go any further
Do you love me?
Will you love me forever?

Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
And I'll give you an answer in the morning
Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
And I'll give you an answer in the morning
Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
I'll give you an answer in the morning

I gotta know right now
Do you love me?
Will you love me forever?
Do you need me?
Will you never leave me?
Will you make me so happy for the rest of my life?

Will you take me away and will you make me your wife?
I gotta know right now
Before we go any further
Do you love me?
And will you love me forever?

What's it gonna be, boy?
Come on, I can wait all night
What's it gonna be, boy?
Yes or no?
What's it gonna be, boy?
Yes or no?

Let me sleep on it
Baby, baby let me sleep on it
Let me sleep on it
And I'll give you an answer in the morning
I gotta know right now
Do you love me? (Let me sleep on it)
Will you love me forever? (Baby, baby let me sleep on it)
Do you need me?
Will you never leave me?
Will you make me so happy (let me sleep on it)
For the rest of my life? (I'll give you an answer in the morning)
Will you take me away (I'll give you an answer in the morning)
I gotta know right now?
Before we go any further
Do you love me?
Will you love me forever?

Let me sleep on it
Will you love me forever

Let me sleep on it
Will you love me forever

I couldn't take it any longer Lord I was crazed
And when the feeling came upon me like a tidal wave
I started swearing to my god and on my mother's grave
That I would love you to the end of time
I swore, that I would love you to the end of time
So now I'm praying for the end of time
To hurry up and arrive

'Cause if I gotta spend another minute with you
I don't think that I can really survive
I'll never break my promise or forget my vow
But god only knows what I can do right now
I'm praying for the end of time
It's all that I can do (oh oh oh)
Praying for the end of time, so I can end my life with you

It was long ago and it was far away
And it was so much better that it is today

It was long ago and it was far away (it never felt so good, it never
felt so right)
And it was so much better that it is today (and we were glowing like,
a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never
felt so right)
And it was so much better that it is today (and we were glowing like,
a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never
felt so right)
And it was so much better that it is today (and we were glowing like,
a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never
felt so right)
And it was so much better that it is today (and we were glowing like,
a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never
felt so right)
And it was so much better that it is today (and we were glowing like,
a metal on the edge of a knife)

It was long ago and it was far away (it never felt so good, it never
felt so right)
And it was so much better that it is today (and we were glowing like,
a metal on the edge of a knife)
