Kenny B

Frisse morgen in Parijs
Gewoon m'n business
Ik zie de meest mooie Française, op d'r bung hoge hakken en ik,

Weet niet wat ik zeggen moet
Ik zeg: Bonjour, mon amour
Mademoiselle, tu est très belle

En eh, en zij zegt:
Je suis néerlandaise
Oh
Je parle en petit peu français
En ik zei

Praat Nederlands met me
Even Nederlands met me
Mijn gevoel zegt mij
Dat wij vanavond samen kijken
Naar de Champs-Élysées
En naar de Notre-Dame en aan de Seine
En daarna samen op la Tour Eiffel

M m m m
M m m

Ah

En ik voelde dat het goed zat
Ik zag haar zo verlegen lachen
Kan niet geloven dat het echt was
Zij de mijne zijn
Ze leek een mix van Doutzen, Edsilia en Anouk, oh oh oh
Er gebeurde iets met mij, toen zij zei
Je suis néerlandaise
Oh
Je parle en petit peu français

En ik zei

Praat Nederlands met me
Even Nederlands met me
Mijn gevoel zegt mij
Dat wij vanavond samen kijken
Naar de Champs-Élysées
En naar de Notre-Dame en aan de Seine
En daarna samen op la Tour Eiffel

Oh oh oh oh oh
Ah ah ah ah ah ah ah
Eh oh oh oh m m m

En dan nog een woordje voor ons
Je t'aime
Je t'aime
Je t'aime

Je t'aime
Je t'aime
Je t'aime

Praat Nederlands met me
Even Nederlands met me
Mijn gevoel zegt mij
Dat wij vanavond samen kijken
Naar de Champs-Élysées
En naar de Notre-Dame en aan de Seine
En daarna samen landen op Schiphol
Ah ah ah yeah

104. This World Is Our Home

Douwe Bob

All right

Boots on the ground, heart in the sky
I'm living life not asking why
Wasn't raised on open fields
Or underneath the big blue skies
Haven't seen the world from every side
But I've felt the rain, I've felt the tide

Don't feel the urge to break away
From what I know and who I've got
Some people spend their lifetime
Waiting from a sign from up above
And I found my purpose being with the people
The people that I love

Staring at the stars in the sky tonight
I'm at a place where I belong
Never felt so much alive
And we shout out: this world's our home
I can feel it in the air tonight
I'm at a place where I belong
My heart is open wide
And we shout out: this world's our home
This world's our home
This world's our home

We all try our best to tell a story people wanna hear
Then you realize that silence is a sound you truly fear
And every scar that has been made
Won't fade in poetry and beer

Staring at the stars in the sky tonight
I'm at a place where I belong
Never felt so much alive
And we shout out: this world's our home

I can feel it in the air tonight
I'm at a place where I belong
My heart is open wide
And we shout out: this world's our home
Oh, this world's our home
Yeah, this world's our home

Feel the sun, feel the rain, touch the grass (Whoa)
This world's our home
See the stars, see the moon, kiss the sky

Staring at the stars in the sky tonight
I'm at a place where I belong
Never felt so much alive
And we shout out: this world's our home
I can feel it in the air tonight
I'm at a place where I belong
My heart is open wide
And we shout out: this world's our home

Oh, this world's our home
This world's our home

Feel the sun, feel the rain, touch the grass (Whoa, whoa)
This world's our home
See the stars, see the moon, kiss the sky (Yeah)
This world's our home

105. A Night Like This

Caro Emerald

From where you are
You see the smoke start to arise where they play cards
And you walk over, softly moving past the guards
The stakes are getting higher, you can feel it in your heart
He calls you bluff
He is the ace you never thought he played that much
And now it's more than all this cards you want to touch
You never know if winning this could really be enough

Take a look, beyond the moon you'll see the stars
And when you look around, you know the room by heart

I have never dreamed it
Have you ever dreamed a night like this?
I cannot believe it
I may never see a night like this
When everything you think is incomplete
Starts happening when you are cheek to cheek
Could you ever dream it?
I have never dreamed, dreamed a night like this

How many times
Have I been waiting by the door to hear these chimes?
To hear that someone debonair has just arrived
And opened up to see my world before my eyes
That silhouette
Creates an image on the night I can't forget
It has the scent of something special I can't rest
If I resist temptation, oh, I know for sure that I will lose the bet

I walk away and suddenly it seems I'm not alone
In front of me he stands, I stop before he goes

I have never dreamed it
Have you ever dreamed a night like this?

I cannot believe it
I may never see a night like this
When everything you think is incomplete
Starts happening when you are cheek to cheek
Could you ever dream it?
I have never dreamed, dreamed a night like this

I have never dreamed it
Have you ever dreamed a night like this?
(I never seen a night like this)
I cannot believe it
I may never see a night like this
(Never ever seen a night like this)
When everything you think is incomplete
Starts happening when you are cheek to cheek
Could you ever dream it?
I have never dreamed, dreamed a night like this

106. Girl

Anouk

Girl, girl, girl, when I hear him talk
Ooh, my mind gets blocked girl
Speak up 'cause my jaw is locked
Which is good, good for me, girl

It hides like a warning sign
But I'm too blind to see
Speak up yes I'm coming down
With an ice-cold fever, ice-cold fever
Ice-cold fever

Still got my hands they're clinging
So, I just keep going

I don't know where I belong
Could I belong to you?
No, I don't know where I belong
Could I belong

Girl, girl, girl, get it while it's hot they say
You see, I'm burning up here
I want to, but I just can't stop, and it hurts
It hurts like hell girl

You turn me inside out and upside down
Ooh, you got me head over heels
I'm stuck, yes I'm coming down with an ice-cold fever, ice-cold fever
Ice-cold fever, aha

Still got my hands they're clinging
So, I just keep going

I don't know where I belong
Could I belong to you?
No, I don't know where I belong
Could I belong

Could I belong

Still got my hands they're clinging
So, I just keep going

I don't know where I belong
Could I belong to you
No, I don't know where I belong
Could I belong
Oh yeah, could I belong

To you, you, you
To you, yeah, you
To you, you, you
To you, yeah, you

To you, you, you
Yeah, I belong to you
Say you, yeah, you
Could I belong to you
Alright

Hey!
Hey!
Hey!
Ohh!

107. Engelbewaarder

Marco Schuitmaker

Duizenden strepen
Duizenden bomen
Ben in gedachten
Ben aan het dromen
Je zit in mijn auto
En voel me bevrijd
Daarin zit mijn leven
Ik heb alle tijd

Je zit zonder zorgen
Nergens aan denken
Even maar stoppen
Om bij te tanken
Flitsende lampen
Een motor die draait
Toch waarschuwt een haan
In je hoofd die kraait

Ik weet nu
Dat er een engelbewaarder bestaat
Je kunt haar niet zien
Als ze zachtjes tegen je praat
Ik weet nu ook
Dat zo'n engelbewaarder op je let
Ik kan het weten
Ik ben er zelf eens door gered
Tien kilometer
Dan ben je weer thuis
Je ziet in de verte
Het dak van je huis
Je voelt dat je slaap hebt
Toch rij je maar door
Een engelbewaarder
Die bijna verloor

En dan zie je bloemen
Alles is wit
Het is toch je moeder
Die naast je zit
Je kijkt in haar ogen
En ziet dan een traan
Alsof ze wil zeggen
Voorzichtig voortaan

Ik weet nu
Dat er een engelbewaarder bestaat
Je kunt haar niet zien
Als ze zachtjes tegen je praat
Ik weet nu ook
Dat zo'n engelbewaarder op je let
Ik kan het weten
Ik ben er zelf eens door gered

Ik weet nu
Dat er een engelbewaarder bestaat
Je kunt haar niet zien
Als ze zachtjes tegen je praat
Ik weet nu ook
Dat zo'n engelbewaarder op je let
Ik kan het weten
Ik ben er zelf eens door gered

Ik kan het weten
Ik ben er zelf eens door gered

108. Our House

Madness

Father wears his Sunday best
Mother's tired, she needs a rest
The kids are playing up downstairs

Sister's sighing in her sleep
Brother's got a date to keep
He can't hang around

Our house, in the middle of our street
Our house, in the middle of our

Our house it has a crowd
There's always something happening
And it's usually quite loud
Our mum, she's so house-proud
Nothing ever slows her down
And a mess is not allowed

Our house, in the middle of our street
Our house, in the middle of our
Our house, in the middle of our street
Our house (Something tells you)
(That you've got to move away from it) In the middle of our

Father gets up late for work
Mother has to iron his shirt
Then she sends the kids to school
Sees them off with a small kiss (Ah, ah, ah, ah)
She's the one they're going to miss
In lots of ways

Our house, in the middle of our street
Our house, in the middle of our

I remember way back then
When everything was true and when
We would have such a very good time
Such a fine time, such a happy time
And I remember how we'd play
Simply waste the day away
Then we'd say nothing would come between us
Two dreamers

Father wears his Sunday best
Mother's tired she needs a rest
The kids are playing up downstairs
Sister's sighing in her sleep
Brother's got a date to keep
He can't hang around

Our house, in the middle of our street
Our house, in the middle of our street
Our house, in the middle of our street
Our house, in the middle of our

Our house, was our castle and our keep
Our house, in the middle of our street
Our house, that was where we used to sleep
Our house, in the middle of our street
Our house

109. Happy together

The turtles

Imagine me and you, I do
I think about you day and night
It's only right
To think about the girl you love
And hold her tight
So happy together

If I should call you up, invest a dime
And you say you belong to me
And ease my mind
Imagine how the world could be
So very fine
So happy together

I can't see me lovin' nobody but you for all my life
When you're with me, baby, the skies will be blue for all my life

Me and you, and you and me
No matter how they tossed the dice
It had to be
The only one for me is you
And you for me
So happy together

I can't see me lovin' nobody but you for all my life
When you're with me, baby, the skies will be blue for all my life

Me and you, and you and me
No matter how they tossed the dice
It had to be
The only one for me is you
And you for me
So happy together

Me and you, and you and me
No matter how they tossed the dice
It had to be
The only one for me is you
And you for me
So happy together
So happy together
And how is the weather?

So happy together
We're happy together
So happy together
We're happy together
So happy together
So happy together

110. YMCA

Village People

Young man, there's no need to feel down
I said, young man, pick yourself off the ground
I said, young man, 'cause you're in a new town
There's no need to be unhappy

Young man, there's a place you can go
I said, young man, when you're short on your dough
You can stay there and I'm sure you will find
Many ways to have a good time

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.
They have everything
For young men to enjoy
You can hang out with all the boys

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.
You can get yourself clean
You can have a good meal
You can do whatever you feel

Young man, are you listening to me?
I said, young man, what do you want to be?
I said, young man, you can make real your dreams
But you've got to know this one thing

No man, does it all by himself
I said, young man, put your pride on the shelf
And just go there, to the Y.M.C.A.
I'm sure they can help you today

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.
They have everything for young men to enjoy
You can hang out with all the boys

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.
You can get yourself clean
You can have a good meal
You can do whatever you feel

Young man, I was once in your shoes
I said, I was down and out with the blues
I felt, no man cared if I were alive
I felt the whole world was so jive

That's when someone came up to me
And said, young man, take a walk up the street
There's a place there called the Y.M.C.A.
They can't stop you back on your way

It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.
Young man, young man, there's no need to feel down
Young man, young man, pick yourself off the ground

Y.M.C.A.
And just go to the Y.M.C.A.

111. If I were a boy

Beyonce

If I were a boy, even just for a day
I'd roll outta bed in the mornin'
And throw on what I wanted, then go

Drink beer with the guys
And chase after girls
I'd kick it with who I wanted
And I'd never get confronted for it
'Cause they'd stick up for me

If I were a boy
I think I could understand
How it feels to love a girl
I swear I'd be a better man

I'd listen to her
'Cause I know how it hurts
When you lose the one you wanted
'Cause he's taken you for granted
And everything you had got destroyed

If I were a boy
I would turn off my phone
Tell everyone it's broken
So they'd think that I was sleepin' alone

I'd put myself first
And make the rules as I go
'Cause I know that she'd be faithful
Waitin' for me to come home, to come home

If I were a boy
I think I could understand
How it feels to love a girl
I swear I'd be a better man

I'd listen to her
'Cause I know how it hurts
When you lose the one you wanted (wanted)
'Cause he's taken you for granted (granted)
And everything you had got destroyed

It's a little too late for you to come back
Say it's just a mistake
Think I'd forgive you like that
If you thought I would wait for you
You thought wrong

But you're just a boy
You don't understand
Yeah, you don't understand, oh
How it feels to love a girl, someday
You'll wish you were a better man

You don't listen to her
You don't care how it hurts
Until you lose the one you wanted
'Cause you've taken her for granted
And everything you have got destroyed

But you're just a boy

112. Love yourself

Justin Bieber

For all the times that you rained on my parade
And all the clubs you get in using my name
You think you broke my heart, oh, girl, for goodness' sake
You think I'm crying on my own, well, I ain't

And I didn't wanna write a song
'Cause I didn't want anyone thinkin' I still care, I don't, but
You still hit my phone up
And baby, I'll be movin' on
And I think you should be somethin' I don't wanna hold back
Maybe you should know that

My mama don't like you and she likes everyone
And I never like to admit that I was wrong
And I've been so caught up in my job
Didn't see what's going on, but now I know
I'm better sleeping on my own

'Cause if you like the way you look that much
Oh, baby, you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

But when you told me that you hated my friends
The only problem was with you and not them
And every time you told me my opinion was wrong
And tried to make me forget where I came from

And I didn't wanna write a song
'Cause I didn't want anyone thinkin' I still care, I don't, but
You still hit my phone up
And baby, I'll be movin' on
And I think you should be somethin' I don't wanna hold back
Maybe you should know that

My mama don't like you and she likes everyone
And I never like to admit that I was wrong
And I've been so caught up in my job
Didn't see what's going on, but now I know
I'm better sleeping on my own

'Cause if you like the way you look that much
Oh, baby, you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

For all the times that you made me feel small
I fell in love, now I feel nothin' at all
I never felt so low and I was vulnerable
Was I a fool to let you break down my walls?

'Cause if you like the way you look that much
Oh, baby, you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

'Cause if you like the way you look that much
Oh, baby, you should go and love yourself (yeah)
And if you think (you think) that I'm (that I'm)
Still holdin' on to somethin' (holdin' on, no)
You should go and love yourself

113. Bubbly

Colbie Caillat

Will you count me in?
I've been awake for a while now
You've got me feeling like a child now
'Cause every time I see your bubbly face
I get the tingles in a silly place

It starts in my toes, and I crinkle my nose
Wherever it goes, I always know
That you make me smile, please stay for a while now
Just take your time, wherever you go

The rain is falling on my windowpane
But we are hiding in a safer place
Under covers, staying dry and warm
You give me feelings that I adore

They start in my toes, make me crinkle my nose
Wherever it goes, I always know
That you make me smile, please stay for a while now
Just take your time, wherever you go

But what am I gonna say
When you make me feel this way?
I just-, mmm

And it starts in my toes, makes me crinkle my nose
Wherever it goes, I always know
That you make me smile, please stay for a while now
Just take your time, wherever you go

I've been asleep for a while now
You tuck me in just like a child now
'Cause every time you hold me in your arms
I'm comfortable enough to feel your warmth

It starts in my soul, and I lose all control
When you kiss my nose, the feeling shows
'Cause you make me smile, baby, just take your time now
Holding me tight

Wherever, wherever, wherever you go
Wherever, wherever, wherever you go
Wherever you go, I always know
'Cause you make me smile, even just for a while

114. Beauty and the brains

Nielson

Ben niet zo'n held van mezelf, maar ik heb een superwoman bij me.
En alle mannen staan versteld, wat doet met die jongen ik zie ze
kijken.

Ik weet ook niet wat het is, zo'n meisje zo'n lijf en zo'n gezicht.
Zo'n goede vriend omdat ze altijd bij me is.
Het is goed want ik herken geluk met mij ogen dicht.

Ik zou wel blind en doof zijn (eeh!) niet goed bij mijn hoofd zijn.
Niet alles op een rijtje, als ik niet zag wat ik hier voor me had.

Want zij is alles alles alles alles in een.
Ze klopt van top tot teen, schatje wat doe je met me?
Wat doe je met me? Ja zij is alles alles alles alles alles in een.
Ze heeft de beauty and de brains en oh oh oh het voelt goed, eh,
het voelt goed. Eh eh.

Het doet me weinig of niks als andere mannen naar haar kijken.
Laat die ogen maar rollen, jongens kom op, want deze is de mijne.
Ik weet echt niet hoe het komt, ze is zo lekker het is bijna niet
gezond.
En zelfs haar naam rolt lekker over de tong.
Ik weet niet hoe maar ze laat me stralen als een zon, zon zon.

Ik zou wel blind en doof zijn niet goed bij mijn hoofd zijn.
Niet alles op een rijtje, als ik niet zag wat ik hier voor me had.

Want zij is alles alles alles alles in een.
Ze klopt van top tot teen, schatje wat doe je met me?
Wat doe je met me? Ja zij is alles alles alles alles alles in een.
Oehoeheh.
Ze heeft de beauty and de brains en oh oh oh het voelt goed.

Ze heeft de beauty en de brains, de beauty, de beauty and the
brains,
de beauty, ze heeft de beauty en de brains.
Oh yeah, de beauty en de brains, de beauty.

Want zij is alles alles alles alles in een.

Ze klopt van top tot teen, schatje wat doe je met me?

Wat doe je met me? Ja zij is alles alles alles alles alles alles in een.

Ze heeft de beauty and de brains en oh oh oh het voelt goed. Eh,
het voelt goed eh, eh!

115. Human

Rag'n bone man

I'm only human
I'm only, I'm only
I'm only human, human

Maybe I'm foolish
Maybe I'm blind
Thinking I can see through this
And see what's behind
Got no way to prove it
So maybe I'm blind
But I'm only human after all
I'm only human after all
Don't put your blame on me
Don't put your blame on me

Take a look in the mirror
And what do you see
Do you see it clearer
Or are you deceived
In what you believe
'Cause I'm only human after all
You're only human after all
Don't put the blame on me
Don't put your blame on me

Some people got the real problems
Some people out of luck
Some people think I can solve them
Lord heavens above
I'm only human after all
I'm only human after all
Don't put the blame on me
Don't put the blame on me

Don't ask my opinion
Don't ask me to lie

Then beg for forgiveness
For making you cry
Making you cry
'Cause I'm only human after all
I'm only human after all
Don't put your blame on me
Don't put the blame on me

Oh, some people got the real problems
Some people out of luck
Some people think I can solve them
Lord heavens above
I'm only human after all
I'm only human after all
Don't put the blame on me
Don't put the blame on me

I'm only human
I make mistakes
I'm only human
That's all it takes
To put the blame on me
Don't put the blame on me

I'm no prophet or Messiah
You should go looking somewhere higher

I'm only human after all
I'm only human after all
Don't put the blame on me
Don't put the blame on me

I'm only human
I do what I can
I'm just a man
I do what I can
Don't put the blame on me
Don't put your blame on me

116. Ik Heb de hele nacht liggen dromen

Wolter Kroes

'k Heb de hele nacht liggen dromen
Liggen dromen
(Liggen dromen)

'k Heb de hele nacht liggen dromen
Van je stem, van je mond
Van je lijf, van je kont
En de dekens op de grond
Jij had mij in je armen meegenomen
Achter sterren en maan
Naar een plek waar geen tijd meer bestond

Weet je wat ik zie wanneer ik in je ogen kijk?
Voel je wat ik voel als ik je zachtjes streel?
Doe je wat ik doe als mijn mond naar de jouwe reikt?
Ik kan niet langer wachten, dit wordt mij te veel

'k Heb de hele nacht liggen dromen
Van je stem, van je mond
Van je lijf, van je kont
En de dekens op de grond
Jij had mij in je armen meegenomen
Achter sterren en maan
Naar een plek waar geen tijd meer bestond

Elke keer als je me aanraakt
Als je zegt: "Ik voel me zo alleen"
Dan weet ik niet wat ik moet zeggen
Kom gewoon niet door m'n woorden heen

Ik wil je heel gewoon vertellen
Dat ik dag en nacht bij jou wil zijn
Als ik aan je denk, dan word ik gek
En doet m'n hart ontzettend pijn

'k Heb de hele nacht liggen dromen
Van je stem, van je mond
Van je lijf, van je kont
En de dekens op de grond
Jij had mij in je armen meegenomen
Achter sterren en maan
Naar een plek waar geen tijd meer bestond

('k Heb de hele nacht)

(Liggen dromen)

Weet je wat ik zie wanneer ik in je ogen kijk?
Voel je wat ik voel als ik je zachtjes streel?
Doe je wat ik doe als mijn mond naar de jouwe reikt?
Ik kan niet langer wachten, dit wordt mij te veel

'k Heb de hele nacht liggen dromen
Van je stem, van je mond
Van je lijf, van je kont
En de dekens op de grond
Jij had mij in je armen meegenomen
Achter sterren en maan
Naar een plek waar geen tijd meer bestond

Achter sterren en maan
Naar een plek waar geen tijd meer bestond

117. Love on the weekend

John Mayer

It's a Friday, we finally made it
I can't believe I get to see your face
You've been workin', and I've been waitin'
To pick you up and take you from this place

Love on the weekend
Love on the weekend
Like only we can
Like only we can
Love on the weekend
Love on the weekend
I'm comin' up, and I'm lovin' every minute of it

You be the DJ, I'll be the driver
You put your feet up in the getaway car
I'm flyin' fast like a, a wanted man
I want you, baby, like you can't understand

Oh, love on the weekend
Love on the weekend
We found a message in the bottle we were drinkin'
Love on the weekend
Love on the weekend
I hate your guts 'cause I'm lovin' every minute of it

Oh, oh
Oh, oh, oh
Oh, oh
Oh, whoa, oh

I gotta leave ya, it's gonna hurt me
My clothes are dirty, and my friends are gettin' worried
Down there below us, under the clouds
Baby, take my hand and pull me down, down, down, down

And I'll be dreamin' of the next time we can go
Into another serotonin overflow

Love on the weekend
Love on the weekend
I'm busted up, but I'm lovin' every minute of it

Love on the weekend
Love on the weekend

I'm lookin' for a little love
I'm lookin' for a little love, oh, yeah
(Love on the weekend)
(Love on the weekend)
(Love on the weekend)

118. The Feeling

Lost Frequencies

We're dancing, baby, under open skies
My heart is crazy, it tells me you're the one
I should run
And the feeling goes on

Yeah, we fly into the night and fight the break of dawn
We're sipping on our highs, tomorrow we are gone
I should run
And the feeling goes on

And the feeling goes on, and on, and on
And the feeling goes on, and on, and on
Come away tonight, only you and I
And the feeling goes on, and on, and on

And the feeling goes on, and on, and on
And the feeling goes on, and on, and on
Come away tonight, only you and I
And the feeling goes on, and on, and on
And the feeling goes

I hold on to let go
Lost all of my control
Drunk kicks and drunk feelings
I hate that we're leaving
The way my heart's beating
And I'm lovin' this freedom
This freedom

Yeah, we fly into the night and fight the break of dawn
We're sipping on our highs, tomorrow we are gone
I should run
And the feeling goes on

And the feeling goes on, and on, and on
And the feeling goes on, and on, and on
Come away tonight, only you and I
And the feeling goes on, and on, and on

And the feeling goes on, and on, and on
And the feeling goes on, and on, and on
Come away tonight, only you and I
And the feeling goes on, and on, and on
And the feeling goes

And the feeling goes on
And the feeling goes
And the feeling goes on

And the feeling goes on, and on, and on
And the feeling goes on, and on, and on
Come away tonight, only you and I
And the feeling goes on, and on, and on
And the feeling goes

119. Automatisch

Flemming

(Ey, ey, ey, oh!)

Ik kan er niks aan doen, het gebeurt gewoon

Ik hou het niet tegen, ik ben machteloos

Ja, je kijkt me aan, ziet m'n Nike's gaan

Het is al te laat (ey)

M'n voet begint te shaken, alles gaat bewegen

Voordat ik het weet, voel ik de lampen op mij

Ineens pak ik de solo, move ik als een jojo

Stoppen is een no-go

Want ik dans automatisch

Nee, stilstaan dat bestaat niet

Vanavond voelt het magisch

Zo a-a-automatisch

Want ik dans automatisch

Ja, ik snap het wel, dat je mee wilt doen

Stiekem aan het tikken met je linkervoet

Ik kijk je aan (oh-oh), 'k zie je Jordan's gaan (ja-ja)

Het is al te laat

Mijn hand begint te shaken, alles gaat bewegen

Voordat ik het weet, voel ik de lampen op mij

Nog steeds heb ik de solo, move ik als een jojo

Stoppen is een no-go

Want ik dans automatisch

Nee, stilstaan dat bestaat niet

Vanavond voelt het magisch

Zo a-a-automatisch

Alles gaat vanzelf

Ook al is het laat, zin om door te gaan
Nee, het boeit me niet als ik
Ja, hier nog sta als de zon opgaat
Ook al is het geen gezicht
En m'n hart dat slaat in dezelfde maat
Ja, ik voel de energie
En ik ben m'n lichaam niet de baas
Want ik dans automatisch

't Gaat automatisch
Als ik dans op de vloer is het topprestatie
Iedereen is aan het kijken, het is de sensatie
Alle meiden zeggen: "Damn, heeft die boy een relatie?"
Want (ey-oh) hij danst super smooth
En (ey-oh) kijk nou wat-ie doet
Kom (mee, oh) dit is hoe het moet
Vanavond is van ons, ja

We dansen automatisch (automatisch)
Nee, stilstaan dat bestaat niet (nee, dat bestaat niet)
Vanavond voelt het magisch ('t voelt zo magisch)
Zo a-a-automatisch (zo automatisch)
Alles gaat vanzelf (vanzelf)

Ook al is het laat, zin om door te gaan
Nee, het boeit me niet als ik
Ja, hier nog sta als de zon opgaat
Ook al is het geen gezicht
En m'n hart dat slaat in dezelfde maat
Ja, ik voel de energie
En ik ben m'n lichaam niet de baas
Want ik dans automatisch

120. Sign of the Times

Harry Styles

Just stop your crying, it's a sign of the times
Welcome to the final show
I hope you're wearing your best clothes
You can't bribe the door on your way to the sky
You look pretty good down here
But you ain't really good

If we never learn we've been here before
Why are we always stuck and running from
The bullets, the bullets?
We never learn, we've been here before
Why are we always stuck and running from
Your bullets, a bullet?

Just stop your crying, it's a sign of the times
We gotta get away from here
We gotta get away from here
Just stop your crying, it'll be alright
They told me that the end is near
We gotta get away from here

Just stop your crying, have the time of your life
Breaking through the atmosphere
And things look pretty good from here
Remember everything will be alright
We can meet again somewhere
Somewhere far away from here

We never learn, we've been here before
Why are we always stuck and running from
The bullets, the bullets?
We never learn, we've been here before
Why are we always stuck and running from
The bullets, the bullets?

Just stop your crying, it's a sign of the times
We gotta get away from here
We gotta get away from here
Stop your crying, baby, it'll be alright
They told me that the end is near
We gotta get away from here

We never learn, we've been here before
Why are we always stuck and running from
Your bullets, the bullets?
We never learn, we've been here before
Why are we always stuck and running from
Your bullets, the bullets?

We don't talk enough
We should open up
Before it's all too much
Will we ever learn?
We've been here before
It's just what we know

Stop your crying, baby, it's a sign of the times
We gotta get away
We got to get away
We got to get away
We got to get away
We got to get away

We got to, we got to run
We got to, we got to run
We got to, we got to run away

121. Bad Day

Daniel Powter

Where is the moment we needed the most?
You kick up the leaves and the magic is lost
They tell me your blue skies fade to grey
They tell me your passion's gone away
And I don't need no carryin' on

You stand in the line just to hit a new low
You're faking a smile with the coffee to go
And tell me your life's been way offline
You're falling to pieces every time
And I don't need no carryin' on

'Cause you had a bad day, you're taking one down
You sing a sad song just to turn it around
You say you don't know, you tell me, "Don't lie"
You work at a smile, and you go for a ride
You had a bad day, the camera don't lie
You're coming back down, and you really don't mind
You had a bad day
You had a bad day

Well, you need a blue sky holiday
The point is they laugh at what you say
And I don't need no carryin' on

You had a bad day, you're taking one down
You sing a sad song just to turn it around
You say you don't know, you tell me, "Don't lie"
You work at a smile, and you go for a ride
You had a bad day, the camera don't lie
You're coming back down, and you really don't mind
You had a bad day

Sometimes the system goes on the blink
And the whole thing turns out wrong
You might not make it back, and you know
That you could be well, oh, that strong
And I'm not wrong, yeah

So where is the passion when you need it the most?
Oh, you and I
You kick up the leaves, and the magic is lost

'Cause you had a bad day, you're taking one down
You sing a sad song just to turn it around
You say you don't know, you tell me, "Don't lie"
You work at a smile, and you go for a ride
You had a bad day, you've seen what you like
And how does it feel for one more time?
You had a bad day
You had a bad day

Ah, had a bad day
Ah, had a bad day
Ah, had a bad day
Ah...

122. Exile

Taylor Swift & Bon Iver

I can see you standing, honey
With his arms around your body
Laughin', but the joke's not funny at all

And it took you five whole minutes
To pack us up and leave me with it
Holdin' all this love out here in the hall

I think I've seen this film before
And I didn't like the ending
You're not my homeland anymore
So what am I defending now?
You were my town
Now I'm in exile, seein' you out
I think I've seen this film before

I can see you starin', honey
Like he's just your understudy
Like you'd get your knuckles bloody for me

Second, third, and hundredth chances
Balancin' on breaking branches
Those eyes add insult to injury

I think I've seen this film before
And I didn't like the ending
I'm not your problem anymore
So who am I offending now?
You were my crown
Now I'm in exile, seein' you out
I think I've seen this film before
So I'm leavin' out the side door

So step right out, there is no amount
Of crying I can do for you
All this time

We always walked a very thin line
You didn't even hear me out (you didn't even hear me out)
You never gave a warning sign (I gave so many signs)

All this time
I never learned to read your mind (never learned to read my mind)
I couldn't turn things around (you never turned things around)
'Cause you never gave a warning sign (I gave so many signs)
So many signs, so many signs
You didn't even see the signs

I think I've seen this film before
And I didn't like the ending
You're not my homeland anymore
So what am I defending now?
You were my town
Now I'm in exile, seein' you out
I think I've seen this film before
So I'm leavin' out the side door

So step right out, there is no amount
Of crying I can do for you
All this time
We always walked a very thin line
You didn't even hear me out (didn't even hear me out)
You never gave a warning sign (I gave so many signs)

All this time
I never learned to read your mind (never learned to read my mind)
I couldn't turn things around (you never turned things around)
'Cause you never gave a warning sign (I gave so many signs)

All this time (so many signs)
I never learned to read your mind (so many signs)
I couldn't turn things around (I couldn't turn things around)
'Cause you never gave a warning sign (you never gave a warning sign)
You never gave a warning sign
Ah, ah

124. Sweet Caroline

Neil Diamond

Where it began
I can't begin to know when
But then I know it's growin' strong

Was in the spring
And spring became the summer
Who'd have believe you'd come along?

Hands
Touchin' hands
Reachin' out
Touching me, touchin' you

Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would

But now I look at the night
And it don't seem so lonely
We fill it up with only two
And when I hurt
Hurtin' runs off my shoulders
How can I hurt when holdin' you?

Warm
Touchin' warm
Reachin' out
Touchin' me, touchin' you

Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would, oh, no, no
Sweet Caroline
Good times never seemed so good
Sweet Caroline
I believe they never could
Sweet Caroline

125. Bad Moon Rising

Creedence Clearwater Revival

I see the bad moon risin'
I see trouble on the way
I see earthquakes and lightnin'
I see bad times today

Don't go around tonight
Well, it's bound to take your life
There's a bad moon on the rise

I hear hurricanes a-blowin'
I know the end is comin' soon
I fear rivers overflowin'
I hear the voice of rage and ruin

Don't go around tonight
Well, it's bound to take your life
There's a bad moon on the rise

Alright

Hope you got your things together
Hope you are quite prepared to die
Looks like we're in for nasty weather
One eye is taken for an eye

Well, don't go around tonight
Well, it's bound to take your life
There's a bad moon on the rise
Don't go around tonight
Well, it's bound to take your life
There's a bad moon on the rise

126. Venus

Shocking blue

A goddess on a mountain top
Was burning like a silver flame
The summit of beauty and love
And Venus was her name

She's got it
Yeah, baby, she's got it
Well, I'm your Venus
I'm your fire, at your desire
Well, I'm your Venus
I'm your fire, at your desire

Her weapons were her crystal eyes
Making every man mad
Black as the dark night she was
Got what no one else had, whoa!

She's got it
Yeah, baby, she's got it
Well, I'm your Venus
I'm your fire, at your desire
Well, I'm your Venus
I'm your fire, at your desire

She's got it
Yeah, baby, she's got it
Well, I'm your Venus
I'm your fire, at your desire
Well, I'm your Venus
I'm your fire, at your desire

127. Perfect

Ed Sheeran

I found a love for me
Oh, darling, just dive right in and follow my lead
Well, I found a girl, beautiful and sweet
Oh, I never knew you were the someone waitin' for me

'Cause we were just kids when we fell in love, not knowin' what it was
I will not give you up this time
Oh, darling, just kiss me slow, your heart is all I own
And in your eyes, you're holding mine

Baby, I'm dancin' in the dark with you between my arms
Barefoot on the grass while listenin' to our favourite song
When you said you looked a mess, I whispered underneath my breath
But you heard it, "Darling, you look perfect tonight"

Well, I found a woman, stronger than anyone I know
She shares my dreams, I hope that someday, I'll share her home
I found a love to carry more than just my secrets
To carry love, to carry children of our own

We are still kids, but we're so in love, fightin' against all odds
I know we'll be alright this time
Darling, just hold my hand, be my girl, I'll be your man
I see my future in your eyes

Oh, baby, I'm dancin' in the dark with you between my arms
Barefoot on the grass while listenin' to our favourite song
When I saw you in that dress, lookin' so beautiful
I don't deserve this, darling, you look perfect tonight

No, no, no
Mm, oh

Baby, I'm dancin' in the dark with you between my arms
Barefoot on the grass, oh, listenin' to our favourite song
I have faith in what I see, now I know I have met
An angel in person, and she looks perfect
Though I don't deserve this, you look perfect tonight

128. Look At That Woman

ROLE MODEL

She had the hoops, white gold
With the penny loafers covering her toes
She was mine, got cold
Now the guilt's the only thing I hold
Spend my nights all alone
'Til I snap and buy a red-eye home
And I toss and I turn
Let a cigarette burn my skin like a furnace
Damn honey, look at you go

Ooh, look at that woman
Ooh-ooh, ooh look at that woman
Ooh-ooh, ooh look at that woman
Breaking my heart
Breaking my heart

Tennessee for the night
Got to get out of town sometimes
Got drunk on the flight
Since she left I've been way out of line
Lost my faith and my mind
On the day we had to say goodbye
And I try not to call but the leaves start to fall
Girl it's nobody's fault but damn
You could make a thug cry

Ooh, look at that woman (ooh, hey-hey)
Ooh-ooh, ooh look at that woman (ha, hey-hey)
Ooh-ooh, ooh, look at that woman (hey)
[[Breaking my heart (ooh)]] 3x

She's breaking my heart (ooh)
Breaking my heart
Breaking my heart

[[She had the hoops, white gold, white gold (ooh)]] 3x
