Live Acid Dance Producer and Dark Electro DJ, Vamp Acid, hails from LA to Berlin. Sultry vocals radiate power over spicy Acid synths infused with sweet analog beats. Her Punk roots expanded into DJing Electro-Industrial and Synthpop records over radio. At Colombian rave Bogotrax, Breakcore and Techno DJs inspired her to learn the ropes of music production with EBM Pioneers, Nitzer Ebb.

Her passion for music communities has led her to produce Dark Electro nights in LA (Goldcell) and Berlin (Dreikantholz). She's recently Guest DJ'd with Leipzig EBM Collective, Unterschall and Synthpop Promoter, LA Dead. Evolving chaos reflects Vamp's Post-Punk energy, which Berlin label Machine Jazz defines as "Dark Rave". Listen for her new album tba, and 2020 summer Acid release on Canadian label, OBSKUR MUSIC.
