

**CARE AT HOME  
SERVICE PROVIDER**

QUALITY CARE SERVICES

## About Us

We are a local home care provider delivering personalised care and support for you or your loved ones when you need it in the comfort of your own home. Our mission is to focus on outcome-based care delivery, care service approaches that aim to achieve high end result for you or your loved ones rather than extremely task based rigid model of care. At Veecollins our client is put at the heart of their care, they receive their care the way they want it and at a time when they want to have it delivered.

We focus on your or your loved one needs and we take our time to learn of your personality and interest through our assessments with you and the one's around you. This allows you and your family to be in control of the care you deserve in the comfort of your home. We train our Carers in a manner that they will deliver your care and support respectfully, valuing your privacy and dignity. Get hold of us. Our assessment team are ready to come to your home for a free no obligation assessment.
