

Awakening (Väckande) Light Tones carry the power & precision of the pure memory from the Essence of Life. They are a key for you to unlock your life. Their vibrations shatter identities and belief systems. So that you can remember and awaken to who you truly are.

Are you ready to say YES to yourself? Who are you? What are you ready to remember? What are you here to be?

Choose Awakening when you:

- feel drawn to it
- are ready to allow yourself to be who you are
- are ready to live according to who you are
- are ready to receive your inner richness
- are ready to allow what's innate in you to flourish
- are ready to receive vibrations from the essence and let them calibrate you
- are ready to start sharing who you really are
- are ready for an energy boost
