

The fire safety at Vejlesøparken must be enhanced

- ❖ **A fire inspector has reviewed all buildings at Vejlesøparken.**
- ❖ **The fire safety must be enhanced in a number of areas.**
This applies especially to basements, stairwells and escape routes.
- ❖ **Block 1 poses specific safety issues.**
- ❖ **Two information meetings on fire safety will be held in the assembly room in block 1:**
 - **On March 13, at 7-8 p.m. for residents in block 1.**
 - **On March 20, at 7-8 p.m. for residents in block 2, 3, 4 and 5.**
- ❖ **The objective is to rectify all irregularities before May 1, 2019.**
- ❖ **Subsequently, a second review of the buildings will take place.**

**Kind regards,
the board of directors**
