Invitation – Block 1

to an information meeting on maintenance of the common drainage system.

Previous to flushing the drainage pipes, an information meeting will be held in order to explain the procedures and offer the residents the possibility to ask questions.

We would therefore like to see you and your neighbors for a refreshment (a glass of wine, beer, coffee, tea) so that together we can achieve the best result.

On 24th September 2019, at 7-9 p.m. a meeting will be held for block 1.

The meeting takes place in the assembly room in block 1.

Yours sincerely
