

Great North Air Ambulance Bag Collection & Coffee Morning

Saturday 9th July 2022

Warcop Parish Hall 10:00 – 11:00 am

Please donate your unwanted items to support the Great North Air Ambulance charity and help them to ease suffering and save lives in our rural area. They need £4.5 million per year to maintain the service. All proceeds from this recycling go to them. Visit www.greatnorthairambulance.co.uk for more information. Do then join us for a cuppa and a chat at the Coffee Morning.

Why not use this as a chance to have a summer clear out and bring items listed below to the Hall? Please note that bags will only be available in the newspaper boxes in Sandford and Warcop. Kindly leave bags *outside* the Hall ready for the van collection at 11:30am. More bags available by phoning 41390. Thank you.
