Working as a volunteer can be fun, develop your confidence and skills or even improve your chances of getting or progressing a job.

Volunteer Minibus Driver's are needed to help get members of the community get around in your area where there is little or no public transport. By a handful of people offering some spare time on a regular basis, your local community can benefit from a 'Community Wheels' transport scheme.

Drivers must have a full driving licence with category D1 entitlement.

If you are interested in volunteering to help us develop a flexible approach to transport in your area, please contact:
