

Adult Learning

FREE iPhone Course for Beginners

**Friday 7th & 14th June
2024**

10:00 am – 12:30 pm

Warcop Parish Hall

FREE COURSE

Led by our fully qualified
Digital Skills tutor

This is a great course for adults who are interested in gaining basic knowledge and developing key skills in how to use an iPhone

This course offers an introduction to iPhones and how they can be used in everyday life. We will cover such topics as how to access the internet using your phone, how to access your emails and how to alter basic settings amongst other topics
