

WaterQuip's Viqua IHS12-D4 is a high-capacity fully integrated water purification system that cleans water using proven ultraviolet (UV) disinfection technology and fine sediment and taste/odour filters. UV is a chemical free process which deactivates bacteria, virus, and protozoa by up to $99.99 \%$, thus providing clean and safe drinking water which meets the World Health Organization's and local health departments' standards for potable water.
The IHS12-D4 is a reliable, economical and chemical-free way to safeguard drinking water in any residential or commercial application. The system is easy to operate and maintain, and installation is simple. The IHS12-D4 has a built-in counter which displays the remaining lifetime of the UV lamp and an audible alarm that sounds in case the unit should malfunction.

Like all WaterQuip products, the IHS12-D4 is a high-quality, reliable product with an expected service life of at least ten years under normal operating conditions.

## WaterQuip - quality water purification systems

Technical specification

| Water cleaning capacity (at $30 \mathrm{~mJ} / \mathrm{cm}^{2 *}$ ) | 45 liters per minute, 2,700 liters per hour |
| :--- | :--- |
| Operating pressure | $0.3-8$ Bar |
| Ambient temperature | $0-50^{\circ} \mathrm{C}$ |
| Recommended max. water temperature | $40^{\circ} \mathrm{C}$ |
| Connection size | $3 / 4^{\prime \prime} \mathrm{FNPT} / \mathrm{MNPT}$ |
| Electrical connections | $100-240 \mathrm{~V} \mathrm{AC} \mathrm{/} \mathrm{50-60} \mathrm{~Hz}$ |
| Max. power consumption | 50 W |
| Dimensions | $640 \times 700 \times 300 \mathrm{~mm}$ |
| Filter 1 | $10 " 5$ micron sediment/dirt/rust |
| Filter 2 | $20 " 10$ micron carbon taste/odour/chlorine |
| Shipping weight | 15.9 kg |

* Actual flow depends on operating conditions e.g. pressure, temperature, type of filters, condition of filters, etc.

## Maintenance

| UV lamp (602805) | Replace once a year |
| :--- | :--- |
| Quartz sleeve (602732) | Clean or replace as needed |
| Sediment filter (CMB-510-HF) | Replace as needed |
| Carbon filter (C2-02) | Replace as needed |
