

Easy Read Summary

UK Disability Arts Alliance 2021 Survey Report

**WE SHALL
NOT BE
REMOVED**

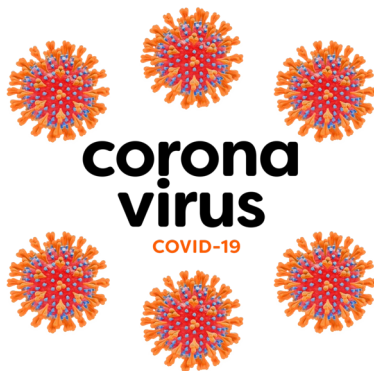

This is an **Easy Read** version
of the **UK Disability Arts
Alliance 2021 Survey
Report** summary document.

About Us

We Shall Not Be Removed is the **UK Disability Arts Alliance**, sometimes called **WSNBR**.

WSNBR was created during the **COVID-19 virus pandemic**.

Lots of **theatres and art spaces closed** during the last year.

WSNBR campaigns for disability rights in the **arts and culture sector**

WSNBR has over **1000** members

1

The campaign turned **1** year old in May 2021

Earlier this year, **WSNBR** asked its members some questions in a **survey**

WSNBR has just published a **report** of the answers

About the Report

The survey is called '**The UK Disability Arts Alliance 2021 Survey Report**'

It asked members **how the pandemic changed their life and work**

This is the first report to focus on disabled people working in **arts & culture**

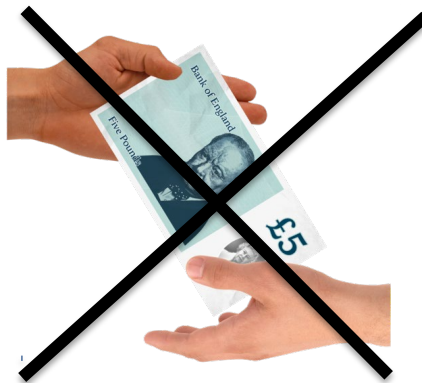

Arts and culture includes disabled people working in art, TV, film, theatre, music and dance

The Results

50% of people had **less or no paid work** since the pandemic

50% of people got **no support with money** from the government or the Arts Council

33% said that they have **unstable jobs** or **0 hours contracts**.

33% said that they have been **homeless** before.

Nearly **60%** are worried they will have to **leave their creative jobs.**

Only **7%** are in **full-time work** with a **salary.**

Organisations led by disabled people

20% of organisations had to **dismiss staff** and could not take on any new staff.

58% of organisations had to use their **financial savings**.

13% of organisations had **no savings** to use.

Government and Arts Council financial support has been **very important** help for organisations

WSNBR represents a **diverse range** of people.

There is lots of support for **The 7 Inclusive Principles**.

The 7 Inclusive Principles is a guidance document published by **WSNBR** in September 2020
