**5. Minutes of meeting** in Clachan hall 17th July 2017. Proposed by MSe, seconded by LMcC

### 6. Matters Arising:

1) Proposed 600 hectare forest at Clachan - There has been much activity between all the parties involved including Forestry Commission, CC and local residents. Concerns that there is no flood management plan as flooding is a major issue. Discussions are ongoing.

2) Proposed new scheme for CC's - Stage 1 consultation until 19th October. Available to view on A&B council website. No proposed changes to grant or boundaries are proposed. A possibility of Kilkenzie joining Campbeltown CC was put forward, but this may impact on those receiving grants.

3) Hard standing at Glenbarr - now complete and in use awaiting shelter. Possibility of funding from WFT towards a shelter was proposed and R Currie will look into issue.

- 4) Lussa Forest Plan - Tree felling plan was discussed, no adverse issues raised.
- 5) Fair Trade Kintyre Group- If anyone wishes to join this group to promote Fair Trade in the area please contact Morag Branson and she will pass on your details. Apologies this was not made clear at the meeting.
- 6) Tesco bags - still continuing to provide funds despite stopping selling one use bags.

## **7. Correspondence:**

- 1) Planning application from Glenbarr Stores for signs. Transport Scotland have vetoed as is usual. Planning at council. Hopefully a solution can be found. R Currie will enquire.
- 2) Replacing of overhead electricity lines and towers proposed. Presentations to be held at Tarbert and Skipness.
- 3) Local business owner concerned about the speed of drivers going through Muasdale and the lack of a suitable path, particularly the stretch near the caravan site. This was also raised by some elderly residents who find it impossible to safely traverse in front of houses due to the narrowness of the road and speed of drivers. These issues were discussed and remedies sought from council, police and Bear Scotland. Ongoing.
- 4) Footpath renewal at Clachan, this work is to raise pavement to enable drainage pipework to be laid. Road closures until end of October.

## **8. Locality Planning Group (LPG):**
