

Weymouth Carnival Press Statement **– 16/3/2023**

Weymouth Carnival: Bringing the Fun and Festivities Back to the Seaside

The Weymouth carnival is an important annual event that brings together the local community for a day of celebration and fun. In recent months, fundraising efforts have been underway to ensure the continued success of the carnival.

Several events have taken place to raise funds for the carnival. On 17th December, a Christmas Raffle Draw was held at The Three Chimneys in Weymouth, which raised over £700. This was followed by “A Night at The Musicals” and a Quiz & Games Night on the 26th and 27th of January respectively, also held at The Three Chimneys. These events were well-attended and helped raise additional funds for the carnival.

Another important fundraising event was the Family Music Event held on the 25th of February at The Centenary Club in Weymouth. This event was particularly successful, featuring popular local DJs and stage performances, which attracted a large audience.

However, the highlight of the fundraising events was the Nostalgia ‘Back to the 90’s’ Rave held on the 21st April at the Weymouth Pavilion. The event attracted a significant number of attendees who enjoyed the music and atmosphere of the night. The rave was a huge success and helped to raise a significant amount of money for the carnival.

Overall, the fundraising efforts for the Weymouth Carnival have been successful. The addition of the music event is expected to become a regular feature of the carnival in the future. The continued support of the community will be crucial in ensuring the success of the carnival and its associated events.

In addition to the fundraising events, the organisers of the Weymouth Carnival have been actively seeking the support of local businesses and sponsors. Meetings have been held with potential sponsors to discuss the benefits of supporting the carnival, including exposure to a large audience and positive brand association with a community-focused event.

The organisers have been successful in gaining support from a number of local businesses, who have provided financial contributions and other resources to help ensure the success of the carnival.

The organisers recognise the importance of community involvement and are committed to working with businesses and sponsors to make the carnival a truly collaborative effort.

With the continued support from the community and local businesses, the Weymouth Carnival is poised to be a successful and memorable event for years to come.
