Blacklist Policy:

- At the Weymouth Carnival Fun Day, we prioritize the safety, satisfaction, and overall experience of our attendees. As part of our commitment to maintaining the integrity of our events, we have implemented a Vendor Blacklist policy. This policy outlines the criteria for vendors who may be banned from participating in our future events, as well as the handling and storage of related data.

What is the Vendor Blacklist?

- The Vendor Blacklist is a confidential list of vendors who have been banned from participating in Weymouth Carnival Fun Day and any future events organised by our team. Vendors may be added to this list for various reasons, including but not limited to:
 - Non-compliance with event rules and regulations.
 - Unethical business practices.
 - Poor quality of products or services.
 - Misconduct or breaches of contract during past events.

Data Handling and Storage:

- **Security Measures:** The Vendor Blacklist data is stored on a secure server to ensure the confidentiality and integrity of the information.
- **Access Control:** Access to the Vendor Blacklist is restricted to authorized members of the Event Directors and trained members of the committee who have undergone specific training in data protection and privacy.
- **Purpose of Access:** The Vendor Blacklist data may only be accessed for the purpose of evaluating vendor applications for future events. It will not be used for any other purpose.
- **Data Retention:** Details of vendors stored on the server are deleted annually, ensuring that outdated information is not retained indefinitely. Vendors who remain banned from our events will need to be reevaluated and may be removed or retained on the list based on their current status and behaviour.
- **Transparency and Accountability:**

We are committed to maintaining transparency and accountability in our handling of vendor data. If you have any questions or concerns regarding the Vendor Blacklist policy or the handling of your data, please do not hesitate to contact us at hello@weymouth-carnival.uk

At Weymouth Carnival Fun Day, we strive to create a positive and enjoyable experience for all attendees, and the Vendor Blacklist policy is an important aspect of ensuring the quality and integrity of our events. We appreciate your co-operation and support in upholding these standards.
