

## **GCE Results**

A-level results will be issued at 8 o'clock on Thursday 15<sup>h</sup> August 2024 in the 6<sup>th</sup> Form Study Area and will be emailed to students' school email accounts later in the day. The results at this stage are provisional to allow for any enquiries about results to take place.

If students are unhappy with their mark, they can have their exam script reviewed. It is important that students speak to Mr Merryweather, their subject teacher or a member of SLT to discuss their results before making any decisions regarding Post Results. **Reviewers will not re-mark the script.** Services such as a clerical re-check or review of marking can result in a higher grade, a **lowering** of a grade or the same result as originally awarded. The review fee and the consent in writing or by school email from the student is required before any requests will be processed.

If a student's University place is pending, it is recommended to go straight for a **Priority Service 2** Review of Marking and inform the university that you have made this request. For all details and costs of the Post-Results Services available, please see the 'Post Results Services Summer 2024 Services and Fees' form on the website. Details and forms will also be available in school on results day.

- The Exams Office will be open to accept **Priority Review of Marking** (for students whose place in further/higher education is dependent on the outcome of an urgent review) and **Priority Script Requests** (for students wanting to see their paper before deciding on whether to request a non-priority Review of Marking) on:
  - **Thursday 15<sup>h</sup> August 2024 8.00 am until 2.30 pm**
  - **Friday 16<sup>th</sup> August 2024 9.30 am until 1.00 pm**

**All other enquiries about results and applications will be dealt with when school reopens on 2nd September 2024.** Please remember that applications for these services are time sensitive and will not be accepted by the exam boards after the published deadline.

### **Deadlines to school to request services**

- **Priority Review of Marking 22nd August 2024**
- **Monday 23<sup>rd</sup> September 2024 all other review of marking**

Certificates for qualifications completed this summer will be available to collect from December. Certificates can only be retained for 12 months. If students are unable to collect them personally, they can authorise someone to collect them on your behalf using the permission form on the school website. Certificates are important documents as they may be required future employers or further education. Exam boards currently charge approximately £40 per board per season for duplicate copies so it can be costly to replace them.

If you wish to pay £2 before 30<sup>th</sup> September via your school SCOPAY account we will send them out by tracked Royal Mail.
