

# MARINE SEATING

OFF ROAD & MARINE SEATING MANUFACTURER

## UnitedSeats for marine craft & vessels

**“We’ve got your back”**

UnitedSeats is a worldwide manufacturer of off road seating solutions for the industrial, agricultural, construction and marine sectors. All seats are produced under contract for us in a state of the art modern 75,000 m<sup>2</sup> facility using the latest manufacturing techniques.

We are based in Zwijndrecht, The Netherlands from where we supply a portfolio of OEMS and Dealer network around the world. UnitedSeats remains committed to innovation, providing seating products and backed by excellent sales and service support.

Our in-house design capability allows us to tailor product for OEM and dealer specification. Our range comprises a selection of air and mechanical suspensions which are both high & low profile for different types of marine craft & ships.

These can be married with a wide selection of seat uppers and seat pans. Our skill is in ‘Uniting your seat’.

Our marine seats are heavy duty and our latest models like the MGV120/C7 PRO can accommodate driver weights up to 150 kgs. Our new MGV35/55 seats are robust, stable & compact suspensions with an excellent 50 - 150 kg weight range. All our suspension seats meet ISO 6683, seat belt strength approval, ISO 7096, construction vibration approval, and all SIP dimensions are to ISO 5353.

A wide range of accessories are available from UnitedSeats such as safety critical items like seat belts and seat switches. Special armrests & pods are available to carry joystick controls for various vessels. A wide variety of spare parts such as dampers and cushions can be supplied.

Above all our priority is to supply seating solutions to maintain operator health and safety. We also stress the need to maintain and repair damaged seats to prevent injury.

**At UnitedSeats we've got your back!**

*We have seats for the following marine craft & vessels*

-  Tug/Pilot boat
-  Ferry boat
-  Fishing/Trawler
-  Rescue boat
-  Ship/Cruise ship
-  Warship
-  Dredger
-  Barge/Inshore fishing boat
-  Wind farm vessel
-  Water taxi

# Focus product range

## MGV120/C7 PRO

Our latest range of seats are heavy duty and ideal for a wide variety of marine craft and vessels used at sea, lakes and rivers. These range from huge container ships to water taxis and from river barges to inshore fishing boats. The seats are proven in many and various off road applications and our suspensions can protect boat crews on water against wave induced vibration.

Our MGV120 suspension can accommodate crew members up to 150 kgs and has a simple toggle handle to adjust for weight and ride stiffness. An Air LGV120 version is also available with an integral 12V or 24V compressor. The strong C7 PRO upper not only provides excellent comfort and adjustment but can be fitted with 3-point or 4-point seat belts and pods for joystick control.

Adjustable headrest

Comfort foam cushion with lateral support

Easy to operate fully adjustable backrest

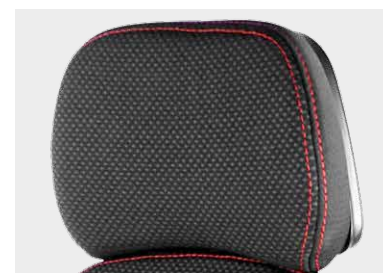

Various seat belts available

Mechanical heavy duty suspension with 12V or 24V compressor

Various armrests available

Comfortable seat cushion with depth & tilt adjustment (PRO version)

Weight adjustment up to 150 kgs.
