

Key question: How do we shout 'COME VISIT US' from the rooftops?

After discovering our survey results were overwhelmingly positive, work now begins on promoting our idea to the rest of the school! Pupils planned a 'teaser' video using an online digital template, before bringing their ideas to life using Adobe Creative Cloud. Pupils tried not to give too much information away, but used rhetorical questioning to ensure their videos were exciting and mysterious!

Viewing our positive survey results!

Sp Adobe Spark Planning Template Group Names:

Video Title: In a school near you.....

Image of someone angry at device

Have you been having restless nights?

Do you want to scream at your screen?

Image of raffle

Have you been waiting for something never felt before?

Well wait no more!

Something exciting..

Rhetorical questions

Build suspense

Mention location

Coming to Bro Banw very soon...

Switch ditch...

Be Prepared... WE HAVE ARRIVED!

Interacting & Collaborating

I can create and share hyperlinks to local, network and online files.

I can upload files from a local drive to online storage.

Producing

I can independently create and plan work before beginning a digital task.

I can use a range of software to select, produce and edit a range of multimedia components for a purpose

I can comment on reasons for layout and content.
