SUPERNATURAL TURNAROUND AFTER SALVATION! — Taiwo Awen

'I came back to this Commission in January, and I re-dedicated my life to Christ. While in that service, we were told that if we worshipped for three months and followed every Word from the altar, we would experience a dramatic turnaround. After three months, the God of Bishop Oyedepo visited my family and !!

After years of stagnation, I was promoted, and ever since, it has been from one testimony to another. God saved me from an accident, cancer, ulcer attacks and liver scare. My children's academic performance is excellent, and I graduated from my Masters class with honours. God granted me admission to the school of my choice abroad. God fast-tracked an application for me; what would have taken me three years was processed in three months. God rescued and restored my home. To God alone be all the glory!'
