

## Publikationsliste

Hager C, Cohen PR, Tschien JA: Segmental neurofibromatosis: case reports and review. J Am Acad Dermatol. 1997 Nov;37:864-9.

Hager CM, Sohbi HA, Hunzelmann N, Wickenhauser C, Scharenberg R, Krieg T, Scharffetter-Kochanek K: Bath-PUVA therapy in three patients with scleroderma adultorum. J Am Acad Dermatol. 1998 Feb;38:240-2.

Hunzelmann N, Scharffetter Kochanek K, Hager C, Krieg T: Management of localized scleroderma. Semin Cutan Med Surg 1998 Mar; 17(1):34-40.

Duvic M, Asano AT, Hager C, Mays S: The pathogenesis of psoriasis and the mechanism of action of tazarotene. J Am Acad Dermatol. 1998 Oct;39:129-33.

Hager CM, Cohen PR: Cutaneous lesions of metastatic visceral malignancy mimicking pyogenic granuloma. Cancer Invest. 1999;17(6):385-90.

Neess CM, Hinrichs R, Dissemond J, Herrmann G, Poswig A, Hunzelmann N, Brenneisen P, Meewes C, Krieg T, Scharffetter-Kochanek K: Treatment of pruritus by capsaicin in a patient with pityriasis rubra pilaris receiving repuva therapy. J Clin Exp Dermatol in press

### Abstracts

Brinkmann J, Tronnier, Scharffetter-Kochanek S, Neess C, Fietzek P, Wolff H, Müller P: Collagen cross-linking in various sclerotic diseases. JID 1999 Sep; 113(3):451. (abstract)

Hager CM, DiMaio D, Mays S, Angel T, Cunningham MA, Ledbetter L, Sefton J, Thacher SM, Nagpal S, Chandraratna R, Duvic M: Tazarotene 0.1% gel is associated with alteration in markers of epidermal differentiation and inflammation in psoriatic plaques. JID, 1997;108:573. (abstract)

Hazarika P, Duyen-Mai TD, Hager C, Hakimzadeh M, Sarris A, Nagpal S, Thacher S, Chandraratna R, Duvic M: Interferon inducible protein 10 is reduced by treatment with RAR specific retinoids in psoriasis and keratinocyte cultures. JID; 1997; 108:571. (abstract)

Nagpal S, Ghosh C, DiSepio D, Malhortra M, Patel S, Jacobe H, Hager C, Thatcher S, Duvic, Chandratna R: Tazarotene, an RAR selective retinoid, affects the expression of genes associated with abnormal differentiation, hyperproliferation and inflammation. JID 1997,108:572. (abstract)

### Meetings

Hager C, Nagpal S, Mays S, Jacobe H, Chandraratna R, Duvic M: Tazarotene regulated gene expression in psoriatic lesions. Abstract/Poster, Psoriasis Meeting: From Gene to Clinics, London Dez. 1996

Hager C, DiMaio D, Sefton J, Mays S, Chandraratna R, Duvic M: Tazarotene: A topical retinoid with efficacy for psoriasis vulgaris and scalp psoriasis. Abstract/Poster AAD Meeting San Francisco 1997

Hager CM, Casper C, Hunzelmann N, Sohbi HA, Poswig A, Huerkamp CJ, Krieg T, Scharffetter-Kochanek K: Evaluation of bath-PUVA therapy in patients with morphea by analyzing histologic, ultrasonic and clinical parameters. Abstract/Poster AAD Meeting Orlando 1998
