OUR DISTINCTIVE CHARACTER, PRIORITIES AND AIMS

SCHOOL VALUES

Our School aims to promote Readiness, Respect and Safety.

To support these aims the school will aim to:

- *Give equality of opportunity.*
- *Offer a curriculum that provides the knowledge, values, experiences, and skills necessary for success in a complex, technological, global 21st Century society.*
- *Promote the skills of resilience and perseverance to allow young people to succeed.*
- *Provide a well-ordered and supportive environment.*
- *Promote the professional development of all who work at the school*
- *Work in partnership with parents, recognising their vital role in ensuring the welfare and success of their children and encouraging their active participation in the life of the school.*
- *Develop partnerships with employers, community groups and individuals, becoming an integral part of the local, national and global communities in which our students will live and work.*
- *Work constructively with our family of primary schools to promote cooperation and continuity for the benefit of all our students.*
- *Work with other High Schools, further and higher education and other training institutions to provide a breadth of learning opportunities.*
- *Encourage an ethos of continuous improvement.*

At **Ysgol Melyd** we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school, irrespective of disability, race, gender, age, sexual orientation, religion or belief, gender reassignment, pregnancy & maternity, marriage and civil partnership. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life.

The achievement of pupils will be monitored and we will use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. At **Ysgol Melyd** we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

MAINSTREAMING EQUALITY INTO POLICY AND PRACTICE

As well as the specific actions set out beneath this plan, the school operates equality of opportunity in its day to day practice in the following ways.

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, we will:

- use contextual data to improve the ways in which we provide support to individuals and groups of pupils;*
- monitor achievement data according to the various protected characteristics and action any gaps;*
- take account of the achievement of all pupils when planning for future learning and setting challenging targets;*
- ensure equality of access for all pupils and prepare them for life in a diverse society;*
- use materials that reflect the diversity of the school, population and local community in terms of the various protected characteristics, without stereotyping;*
- promote attitudes and values that will challenge racist and other discriminatory behaviour or prejudice;*
- provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures;*
- seek to involve all parents in supporting their child's education; encouraging classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning; including teaching and classroom-based approaches appropriate for the whole school population, which are inclusive and reflective of our pupils*

SETTING OUR EQUALITY OBJECTIVES

We recognise our duty and responsibility to establish equality for all learners, staff, other members of the school community and service users regardless of their race, gender, disability, gender reassignment, sexual orientation, pregnancy & maternity, religion or belief, marriage and civil partnership as defined within the Equality Act 2010.

The purpose of our **Strategic Equality Plan (SEP)** is to fulfil the duties to promote equality for people with 'protected characteristics', and embed fairness and equality at the heart of our school community and in all aspects of our school plans and policies.

In setting the equality objectives for this school, we will take due regard to the Equality Act general duty:

1. Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited under the Act;
2. Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; this means
 - a. removing or minimising disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic
 - b. taking steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it
 - c. encouraging persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low
3. Foster good relations between persons who share a relevant protected characteristic and persons who do not share it

OUR SEP AND EQUALITY OBJECTIVES ARE SET IN THE LIGHT OF:

- views expressed by stakeholders that have been involved in the development of the scheme;
- issues arising because of our analysis of our pupil data, e.g. attainment data of boys v. girls;

The delivery of our SEP will contribute to all our actions and commitments to:

- raise standards;
- narrow the attainment gap in outcomes for children and young people;
- improve outcomes as described within the Wellbeing Plan
- promote community cohesion

Our School Equality Objectives are set out in **Section 5**.

RESPONSIBILITIES

GOVERNING BODY

The governing body has set out its commitment to equality and diversity in this plan and it will continue to do all it can to ensure that the school is fully inclusive to pupils, and responsive to their needs based on the various protected characteristics. The governing body:

- seeks to ensure that people are not discriminated against when applying for jobs at our school;
- takes all reasonable steps to ensure that the school environment gives access to people with disabilities, and strive to make communications as inclusive as possible for parents, carers and pupils;
- ensures that no child is discriminated against whilst in our school

SENIOR LEADERSHIP TEAM

The SMT promotes equality and eliminates discrimination by:

- implementing the school's SEP, supported by the governing body in doing so;
- ensuring that all staff are aware of their responsibilities under the Act and are fully informed of our school's SEP and equality objectives,
- ensuring that all appointments' panels give due regard to this plan, so that no one is discriminated against when it comes to employment or training opportunities;
- promoting the principle of equal opportunity when developing the curriculum, and promoting respect for other people and equal opportunities to participate in all aspects of school life;
- treating all incidents of unfair treatment and any incidents of bullying or discrimination, including racist incidents, according to the Authority's and school's policies
- ensuring that all staff are aware of the SEP

STAFF – TEACHING AND NON-TEACHING

The school regards equality for all as a responsibility for all. All members of staff contribute to ensuring that our school is a fair, just and cohesive community by:

- ensuring that all pupils are treated fairly, equally and with respect, and will maintain awareness of the school's SEP;
- striving to provide material that gives positive images based on the protected characteristics and challenges stereotypical images;
- challenging any incidents of prejudice, racism or homophobia, and record any serious incidents as prescribed in the LA and school's policies, e.g. reporting of racial incidents;

- supporting the work of ancillary or support staff and encourage them to intervene in a positive way against any discriminatory incidents.

INFORMATION GATHERING AND ENGAGEMENT

PURPOSE AND PROCESS

The collection of information is crucial to supporting us in deciding what actions to take to improve equality and eliminate discrimination within the school community. The information also subsequently helps us to review our performance, so it needs to be detailed enough to enable us to measure how we are delivering on equality duties. The information also helps us to do accurate impact assessment and identify which of the school's aims have been achieved and what we need to do better.

Engagement is based on the information gained about representation of different groups.

We aim to do this as fully as possible while recognising issues of sensitivity in relation to the different protected characteristics. We take steps to ensure disabled children and young people, parents and carers are involved as is their entitlement. The reason that this progress is important is to understand the full range of needs of the school community.

TYPES OF INFORMATION GATHERED

The wide range of information gathered to support our planning and action to promote equality and eliminate discrimination includes the following:

- an analysis of the responses received from pupils, parents/carers, staff, governors and community groups following the distribution of a questionnaire to determine equality issues. The questions included in the questionnaire do not highlight specific protected characteristics, but seek to obtain stakeholders' views across the board;
- identification of children and young people, parents, carers, staff and other users of the school representing the different protected characteristics, if possible and appropriate. This helps us develop and monitor the scheme. Comprehensive and sensitive efforts are made to collect accurate information and meet data protection requirements, in addition to our duty to secure accurate information relating to ethnicity and first language;
- pupil attainment and progress data relating to different groups;
- children and young people's views actively sought and incorporated in a way that values their contribution;
- information about how different groups access the whole curriculum and how they make choices between subject options;
- sports and activities choices of all groups;
- uptake of enrichment activities by group;
- exclusions data analysed by group;
- records of bullying and harassment on the grounds of any equality issue;
- data on the recruitment, development and retention of employees;
- outcomes of activities promoting community engagement and community cohesion;
- outcomes of actions taken to secure the involvement of parents and others who have been identified as difficult to engage;

ENGAGEMENT

The school involves **stakeholders** including children and young people, staff, parents/carers, governors and other users of the school in relation to all equalities duties.

We consider the preferred means of communication for those with whom we are consulting e.g. translated materials or interpretation facilities for disabled people or those for whom English is an additional language or are newly arrived in this country.

The views of stakeholders and other equalities related groups are genuinely considered when we set priorities.

- **Pupil views are actively and routinely sought via pupil voice procedures in classrooms and the School Council**
- **Parents views are actively encouraged via verbal, written and formal responses e.g. Parents surveys, Consultation Evenings and response to pupil reports**

EQUALITY IMPACT ASSESSMENT

Impact assessment refers to the review of all current and proposed plans and policies to help us act to promote equality and to ensure no person is disadvantaged by school activities through discrimination. Impact assessments are an on-going process to ensure that the school's plans and policies are developed in an increasingly inclusive and equitable way.

As part of this school's compliance of the specific duties of the Act, we will continue to undertake impact assessment of all new policies and plans prior to them being implemented. Similarly, we will impact assess our existing policies and plans whenever they are reviewed. As such, impact assessments are incorporated into the school's planned review and revision of every policy.

Where impact assessments have been done, they will influence changes to policy and the review of the SEP itself.

OBJECTIVES AND PLANS

Our chosen Equality Objectives are;

1. *The monitoring of achievement of groups of pupils*
2. *The monitoring of bullying incidents in school*
3. *Monitor Attendance of groups of pupils*
4. *Raise awareness of equality issues with pupils and staff*

Where deemed necessary, we will produce action plans covering all relevant protected characteristics (Appendix 2). These describe how we are taking action to fulfil both the general and specific duties.

Our action plans are cross referenced with the School Development Plan, which ensures that they are checked, monitored and evaluated systematically.

The action plans show:

- objectives and specific actions;
- expected impact and indicators of achievement (success criteria);
- clear timescales;
- who has lead responsibility;
- resource implications;
- specified dates for impact assessment and review.

The school evaluates the effectiveness of the SEP on a regular basis, through the governing body regularly and with Estyn when the school is inspected.

PUBLICATION AND REPORTING

The school provides a copy of its SEP and its action plan to meet its equality objectives in a range of formats and actively makes it available to parents/carers and others, including those identified as difficult to engage. The school prospectus includes a reference to the SEP and the values underpinning it.

The school reports annually on the progress made on the action plans and the impact of the SEP itself on school ethos and practice within the school. This is undertaken as part of the Governors' Annual Report.

All data collected will be used solely for the purpose of analysing trends by protected characteristic in performance, take-up and satisfaction with services offered by the school or local authority. Such information will be stored separately from personal information which identifies the individual. To protect the identities of individuals when trend information is published no counts containing less than 5 individuals will be published.

MONITOR AND REVIEW

As part of our responsibility to monitor the SEP, we commit to:

- revisiting and analysing the information and data used to identify priorities for the SEP and action plans. This incorporates use of the overview of outcomes;
- using the impact assessments to ensure that actions taken have a positive impact across all protected characteristics, that the promotion of equality is at the heart of school planning and that discrimination is being eliminated effectively.
- The review of the SEP informs its revision, the setting of new priorities and action plans.
- This process continues to:
 - involve the participation of a full range of stakeholders;
 - be evidenced based - using information and data that the school has gathered and analysed;
 - use the evidence to do accurate impact assessments which inform priorities.

We will undertake a full review of our SEP by September every two years.

A report will be given to the Governing Body when the policy is due for review.
