

The Impact of Your Support

We hope you will consider a gift to support The Global Programme to Accelerate Action to End Child Marriage. Below are examples* of the impact your gift could provide:

\$50 could provide antenatal care kits to 4 pregnant adolescent girls in Niger, promoting better health, including preventing anemia and low birth weight of newborns, frequent health threats for girls who are married at a young age and their children.

\$100 could support the development of communication materials in Ghana to ensure that 1,000 people have improved understanding of issues affecting girls and women.

\$500 could mobilize 500 community members in Mozambique around prevention of child marriage.

\$5,000 could support a Girls Club for a year within a school in Ethiopia. Girls Clubs are making a difference in reducing child marriage by empowering girls through life skills training.

\$10,000 could reach over 360 people in India through an awareness campaign on social issues, including child marriage.

\$25,000 could support the transition of 500 girls in Burkina Faso from primary to post primary support through scholarship, school kits and tutoring support. Increasing girls' transition to secondary school is a key strategy for reducing rates of child marriage.
